Monsters do exist, though many parents can't see them. I knew one called Bernie. He groomed me and led me away from home. It's been all over the news lately. Teenagers running away from home. Groomed and snatched from

the nest by predators, before they get a chance to spread their wings. Regardless of culture or social class, it's happening everywhere--online, in schools, clubs and societies. It happened to me, Moll. This is my true story, a harrowing account of my stolen youth and my journey to take it back. A story of the ones who overlooked my situation and a story dedicated to those who made a difference to my life. I lived in that squalid mobile home for two and a half years with my abuser. I even married him because I felt I had no way out. From the mind games of my father to the open arms of Bernie, I was stuck between a rock and a hard place. I was helpless for a short time but never hopeless. A gentle, friendly guide to using a PC with Windows XP. An excellent computer primer for beginners, but also appropriate for intermediate users wanting to get more out of their PC. The book leads readers through the world of PC hardware, Windows XP, the Internet, and application software. Die Inhalte und Methoden, die chinesische Forscher im Feld der Wirtschaftswissenschaften bearbeiten und verwenden, sind trotz des intensivierten wissenschaftlichen Austauschs noch immer weitgehend unbekannt in Deutschland. Der Herausgeberband "Technology and Innovation Management: Theories, Methods and Practices from Germany and China" gibt einen aktuellen Einblick in die Themengebiete, mit denen sich chinesische Wissenschaftler im Bereich der Technologieforschung in China und Deutschland beschäftigen und stellen diesen die aktuellen

Forschungsgegenstände namhafter Vertreter der Forschung in diesem Bereich aus Deutschland gegenüber. Es entsteht ein informatives Bild der wichtigsten Zielrichtungen und Projekte, mit denen sich die Wissenschaftler aus den beiden Ländern inhaltlich und methodisch beschäftigen. A small but influential group of mainstream global industry leaders are now reinventing the role of business in society. They are shifting the focus away from minimizing negative impacts to offering new solutions to global problems that the public sector has been unable to tackle alone. In this new competitive environment, societal challenges such as climate change or the alleviation of global poverty are not only risks, but huge business opportunities, not only for niche players, but for mainstream business. These leaders are creating "Sustainable Value". They are creating it through the provision of value to both their shareholders and their stakeholders - an ever-growing list of diverse constituents impacted by the social, environmental, and financial performance of global business. In short, they are doing well by doing good. In this outstanding book, Chris Laszlo defines, illustrates, and shows how business can action 'Sustainable Value' in three profoundly different ways. First, a management fable looks at the experiences of a dynamic business leader as she grapples with the new business realities of managing stakeholder, as well as shareholder pressures. Second, with the real thing - inside stories from some of the largest corporations in the world that are successfully integrating sustainability into their

core activities, not only from a sense of moral correctness, but because it makes good business sense. And, finally, with frameworks, tools, and methods that will make sustainable value creation concrete for business practitioners everywhere. This book is a masterful synthesis – part novel and part executive briefing – a refreshing kind of prophetic pragmatism, helping leaders anticipate and see the future in the context of the actual. In *Sustainable Value* Chris Laszlo speaks with resounding clarity to the living challenges, the real dilemmas, and haunting questions of CEOs everywhere. The secret to defeating the Memoirist lies beyond the cheese danish in the whorl of the sourdough starter. Charlie is trying to stay positive. But with Kaliah in the clutches of nemesis Kayak Brad, his family on the run from Blanche Duluth and her cronies, and his mom mixed up with his ex-girlfriend, a powerful weaver of metaphor spells, staying positive is nearly impossible. So he trains—every day—to master the long-forgotten magic of an ancient race, to prepare himself for the final conflict with a cult that would recreate reality in their leader's image. But with all of his energy and attention focused on stopping Blanche, he fails to see that mastering the magic of his ancestors is exactly what his enemy wants. Buy *Invasion of the Blanche* today to experience the exciting conclusion to this unique series in contemporary fantasy. Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital

technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle. It should have been an average bust. Minimal trouble. Minimal backup. When police detective Foster Everett witnesses the unspeakable, average becomes deadly. A cover up ensues and Foster begins numbing herself with alcohol at a neighborhood bar. There she meets Riley Meideros, the one person strong enough to hear Foster's painful secret and not turn away. But like most secrets, Foster's refuse to stay hidden. And like even the most carefully built walls—walls that Riley effortlessly seems to breach—the barricades surrounding Foster soon begin to crumble. Fearing that she's put Riley in danger and fighting against the powerful attraction growing between them, Foster vows to uncover the truth. But someone is determined to keep the truth buried, even if it means silencing Foster and Riley permanently.

Retail ventures become successful due to a variety of reasons but major dilemma for retail entrepreneurs is the secret formula for continued success. The book provides the entire gamut of carefully crafted success themes which covers the retail business i Hardcover Art/Photo Storybook "Traditional Oil Painting is that rare sourcebook that comprehensively covers the most advanced techniques and concepts of oil painting"--P. [2] of cover. This second edition updates a course which has proven to be a perfect fit for classes the world over. The videos feature the photostory characters and include 'Videoke', which allows students to record and hear their voices in portions of the video dialogues. Easy-to-understand reviews by impartial experts provide the most up-to-date information available, including specifications, warranties, and detailed features, on electronics, computers, cellular telephones, kitchen appliances, and other products. 100 Acts of Minor Dissent is a hilarious account of an entire year spent living provocatively. From successful campaigns against Royal Parks and multinationals, to arts and crafts with porn mags, from annoying estate agents, to raising cinema workers' wages, comedian and campaigner Mark Thomas stopped at nothing. The Acts were sometimes bold, sometimes surreal. Many brought about change and others were done for the sheer hell of it. Whether at the gates of the Saudi Arabian embassy or the checkout at Tesco - people reacted with laughter, shock, outrage and occasionally anger. Sometimes all of the above. 100 Acts of Minor Dissent makes for dangerously inspiring reading. Please note this is a fixed-format ebook with colour images and may not be well-suited for older e-readers.

Mala Thomas, a 23-year-old Indian American, wants a big, multicultural city to escape her dead-end job and racial experiences in Indiana. She packs up her Acura Vigor and makes an impulsive move to Houston, Texas. In Houston, she doesn't get questioned about being Indian. The South is very different from the Midwest and Mala can't take the word y'all seriously. On her career path, she lands a job in the energy industry and falls for work-obsessed Cyril, a Creole who works in her office building. The death of the sister she can't remember, her love for '80s rock, and her past racial experiences follow her everywhere she goes.

"What would happen if you were a discontented, twentysomething Indian-American girl, living in a boring Midwestern city and working a dead-end job, still a virgin, living at home with parents you think should divorce, and suddenly decide to pack up and move to Houston, Texas? Read *The Hometown* and find out! Along the way you'll be entertained and enlightened by this smart and witty coming-of-age novel that gets to the heart of 'growing up multicultural' and making your way as a minority woman in America today." - Jim Barnes, Editor, IndependentPublisher.com

"Finding a new home can lead to many unusual situations. *The Hometown* is a novel following Mala Thomas as she embraces a new spin of life in Houston, Texas and facing life as an Indian-American in the south. A story of career life and finding love, *The Hometown* is worth considering for general fiction collections." - Midwest Book Review

"Author Leena Ceraveeni's debut novel, *The Hometown*, examines the

journey of a 23-year-old Indian American woman and her search for love, success, and something beyond the ordinary. The novel provides a witty and colorful illustration of what it's like for an Indian American woman to beat the odds and embrace the unexpected." - India West 2011 London Book Festival Runner-Up, General Fiction 2011 DIY Book Festival Runner-Up, General Fiction

Jack LeClere is a cop dodging bullets in what could best be described as friendly fire. He took out the serial killer who murdered his parents, and half of New Rhodes paid the price. Not to mention the rioting that gripped the city over the Julia Mae Jefferson murder, his last big case. So in the spirit of the aftermath, his superiors have called into question every sliver of his conduct. Jack is wealthy; he doesn't need to be a detective, and the top brass are implying that maybe if he followed procedure like his livelihood depended on it, he wouldn't want to be a cop.

Leonard Beloit is a pillar of the community and a very wealthy man also, which does him no good when Jack gets called to the Grand Royal Theater to find him on the floor, his chest pierced with a gem pickaxe. Jack's search for the person who killed Beloit starts with the search for the person who was Beloit. As he speaks with Beloit's wife and daughter and digs even further, Jack finds a lustful, vagrant degenerate that would be unrecognizable in the society pages. Gangs, petty crimes, and not-so-petty crimes seem to be Beloit's off-hours pastime. None of this would call for Beloit's death, but Jack will keep digging, and soon realize he is peeling into the rot of the onion of

New Rhodes high society, of which he is a reluctant member. The deeper he gets investigating what his peers are doing in the shadows, the more they investigate him, asking, in their own way, whether he'll stop playing cop and do something with the vast inheritance he rarely uses, and claims to never want. Beloit's exploits take a very dangerous turn in the form of a conspiracy to transport toxic chemicals through the Adirondacks; it may be that the smoking gun is wrapped up in a smokestack. The case to find, and hold accountable, Beloit's killer will pit him against not only the killer, but a version of himself that it seems everyone around him sees, that perhaps he can't remain blind to anymore. Alma Drake was a typical suburban college student before she was turned into a Succubus by her less-than-perfect boyfriend. Ian turned out to be a powerful soul-sucking Incubus with a harem of other Succubi feeding him souls. Now Alma's up to her eyeballs in soul debt and flat broke in terms of real-world cash. She can't turn to her friends because she had to drop out of college to keep from accidentally killing her classmates. Her mom, who thinks Alma's a junkie, sleeps all day and stays out all night. And Alma can't run away, because Ian... well, Ian always finds her. Shadowy figures have begun stalking Alma's hunts and chasing her through the night. If she could, she'd just hole up and hide, but she's driven out by her insatiable thirst for the souls of men. After all, a girl's gotta eat. *The Lion Within* is an autobiography. T.L. Sears takes you on the road trip of her life. Jump on in and buckle your seat belt. You'll make

stops in New York and Los Angeles. Then she will take you overseas to Korea. Along the way, she deals with love, pain, death, and struggle. Her faith is tested. She looks death in the face. Some of the things you will encounter, you won't want to believe. Be happy you didn't have to encounter them first hand, because turning the pages of T.L. Sears' life aren't as easy as you may think. This book + DVD bundle will give you everything you need to learn social media marketing. The world of social media is ever evolving and you certainly don't want to be left back in the cyber dust! In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes

the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends. Seasoned detectives Todd Grazer and Hector Corona, with the Miami Dade Police Department, are known for being the best at what they do; they always get their guy. Suddenly, however, they are stumped. Two murders occur, at the same time, across town from each other-and evidence suggests that the same perpetrator committed both crimes. Soon, more victims appear. They share one similarity: each body is numbered in backwards English, written in the victim's blood. The MO is the same, but how can one man commit so many murders in so little time-and be in two places at once? Their search takes them down mysterious paths with only one solution: something supernatural is at work in Miami. Past cases come back to haunt them as they continue their hunt for the relentless killer. The bodies pile up, and they're no closer to their perp. Have Grazer and Corona become personally invested in this case? It would appear so, as the mysterious killer now sets his sights on them. Lizzie and Sarah, neighbors and best friends, look forward to running the ice cream stand at Lizzie's family's New England orchard, but their plans go awry. *Crossing the Line*, by Glenn Rambo, brings readers face-to-face with dangerous border-crossers as they cross lines and cross loyalties. In this non-stop action thriller, join a team of Border Volunteers as they fight for their lives and their country as illegal immigrants come to the US looking for a little more

than just freedom. US leaders and volunteers must pull together to form the ultimate alliance for a chance of survival. As the stakes become higher, friendships bond, love blooms, and individual faiths are tested in Crossing the Line.
