From internationally acclaimed author Joseph Boyden comes a powerful novel about two native Canadian sisters and the forces that pull them apart. Fifteen years after the death of their patriarch, the Bird Clan finds itself struggling to survive on the hardscrabble reservation they call home. On Christmas Day, the youngest of the clan, Suzanne, leaves with her boyfriend Gus Netmaker, against both families' wishes, hoping to find purpose and a better life in Toronto. When word from Suzanne and Gus suddenly ceases, the Netmakers and Birds fear the worst

and tensions between the two families escalate to violent levels. Suzanne's sister Annie decides to search for them, leaving behind their uncle Will, a man haunted by loss. While Annie travels from Toronto to New York, from modeling studios to A-list parties, Will encounters dire troubles at home. Both eventually come to painful discoveries about the inescapable ties of family. This memoir is unflinching, raw, sometimes hilarious, sometimes painful-the self-portrait of a woman unafraid to scream to the universe: I survived this! Dog tails Boyden from childhood to adult heartbreak, from a devastating rape as a young woman to the crushing end of her marriage, destroyed by infidelity and another woman's pregnancy.

2016. A moving story of father-son reconciliation told by a charismatic aboriginal star When his father was given a diagnosis of terminal cancer, Winnipeg broadcaster and musician Wab Kinew decided to spend a year reconnecting with the accomplished but distant aboriginal man who'd raised him. The Reason You Walk spans that 2012 year, chronicling painful moments in the past and celebrating renewed hopes and dreams for the future. As Kinew revisits his own childhood in Winnipeg and on a reserve in Northern Ontario, he learns more about his father's traumatic childhood at residential school. An intriguing doubleness marks The Reason You Walk, itself a reference to an Anishinaabe ceremonial song. Born to an Anishinaabe father and a non-native mother, he has a foot in both cultures. He is a Sundancer, an academic, a former rapper, a hereditary chief and an urban activist. His father, Tobasonakwut, was both a beloved traditional chief and a respected elected leader who engaged directly

with Ottawa. Internally divided, his father embraced both traditional native religion and Catholicism, the religion that was inculcated into him at the residential school where he was physically and sexually abused. In a grand gesture of reconciliation, Kinew's father invited the Roman Catholic bishop of Winnipeg to a Sundance ceremony in which he adopted him as his brother. Kinew writes affectingly of his own struggles in his twenties to find the right path, eventually giving up a self-destructive lifestyle to passionately pursue music and martial arts. From his unique vantage point, he offers an inside view of what it means to be an educated aboriginal living in a country that is just beginning to wake up to its aboriginal history and living presence. Invoking hope, healing and forgiveness, *The Reason You Walk* is a poignant story of a towering but damaged father and his son as they embark on a journey to repair their family bond. By turns lighthearted and solemn, Kinew gives us an inspiring vision for family and

cross-cultural reconciliation, and for a wider conversation about the future of aboriginal peoples. In this hugely acclaimed author's new novel, history comes alive before us when, in the seventeenth century, a Jesuit missionary ventures into the wilderness in search of converts—the defining moment of first contact between radically different worlds, each at once old and new in its own ways. What unfolds over the next few years is truly epic, constantly illuminating and surprising, sometimes comic, always entrancing, and ultimately all-too-human in its tragic grandeur. Christophe, as educated as any Frenchman could be about the “sauvages” of the New World whose souls he has sworn to save, begins his true enlightenment shortly after he sets out when his native guides—terrified by even a scent of the Iroquois—abandon him to save themselves. But a Huron warrior and elder named Bird soon takes him prisoner, along with a young Iroquois girl, Snow Falls, whose family he has just killed. The

Huron-Iroquois rivalry, now growing vicious, courses through this novel, and these three are its principal characters. Christophe and Snow Falls are held captive in Bird's massive village. Champlain's Iron People have only lately begun trading with the Huron, who mistrust them as well as this Jesuit Crow who has now trespassed onto their land; and Snow Falls's people, of course, have become the Hurons' greatest enemy. Bird knows that to get rid of them both would resolve the issue, but he sees Christophe, however puzzling, as a potential envoy to those in New France, and Snow Falls as a replacement for the two daughters he'd lost to the Iroquois. These relationships wax and wane as life comes at them relentlessly: a lacrosse match with an allied tribe, a dangerous mission to trade furs with the French for the deadly shining wood that could save the Huron nation, shocking victories in combat and devastating defeats, then a sickness the likes of which none of them has ever seen. The world of *The Orenda* blossoms to

include such unforgettable characters as Bird's oldest friend, Fox; his lover, Gosling, who some believe possesses magical powers; two more Jesuit Crows who arrive to help form a mission; and boys from both tribes whose hearts veer wildly from one side to the other, for one reason or another. Watching over all of them are the spirits that guide their every move. *The Orenda* traces a story of blood and hope, suspicion and trust, hatred and love, that comes to a head when Jesuit and Huron join together against the stupendous wrath of the Iroquois, when everything that any of them has ever known or believed in faces nothing less than annihilation. A saga nearly four hundred years old, it is also timeless and eternal. This eBook edition includes a Reading Group Guide. This edited collection applies kinship as an analytical concept to better understand the affective economies, discursive practices, and aesthetic dimensions through which cultural narratives of belonging establish a sense of intimacy and affiliation. In North

American and European ethnic literatures, kinship has several social functions: negotiating diasporic belonging in and outside of the perimeters of bloodlines and genealogy; positioning queer-feminist interventions to counter ethno-nationalist narratives of belonging; challenging liberal sentimentalist narratives, such as those grafted onto the bodies of transnational adoptees; re-formulating cultural heterogeneity through interracial and interethnic kinship constellations outside either post-racial assumptions about colorblindness or celebrations of racial and ethnic pluralism. In all of these cases, kinship features as a common theme through which contemporary authors attend to challenges of conscribing individuals into inclusive, counter-hegemonic cultural narratives of belonging. The second volume of a saga that chronicles the relations between native Americans and their colonizers begins four hundred years ago in the Great Lakes region, where Jesuit priests martyr themselves

to save the disease-ridden villages of the Huron.-Amazon.com. Soon after moving to the secluded Norfolk village of Munding, Alex Darken has a disturbing encounter with the ageing poet Edward Nesbit and his young lover Laura. They are obsessively researching the lives of Sir Henry Agnew and his daughter Louisa who lived in Munding in the nineteenth century and were deeply engaged in alchemical practices. By recovering the lost secret of the hermetic mysteries, Edward and Laura hope to find an alternative to the destructive materialism of the post-industrial world. Once drawn into their fervent quest for knowledge, Alex finds himself entangled in a passionate and intense intrigue that reaches across two centuries. A beautifully written, ambitious and captivating novel, which takes a profound look at issues of nature, human existence and forgotten knowledge, *The Chymical Wedding*, which won the 1989 Whitbread Prize for Best Novel, is already considered a classic for its stylistic prowess and

philosophical resonances. A visceral portrait of life at a crossroads, *The Orenda* opens with a brutal massacre and the kidnapping of the young Iroquois Snow Falls, a spirited girl with a special gift. Her captor, Bird, is an elder and one of the Huron Nation's great warriors and statesmen. It has been years since the murder of his family and yet they are never far from his mind. In Snow Falls, Bird recognizes the ghost of his lost daughter and sees the girl possesses powerful magic that will be useful to him on the troubled road ahead. Bird's people have battled the Iroquois for as long as he can remember, but both tribes now face a new, more dangerous threat from afar. Christophe, a charismatic Jesuit missionary, has found his calling amongst the Huron and devotes himself to learning and understanding their customs and language in order to lead them to Christ. An emissary from distant lands, he brings much more than his faith to the new world. As these three souls dance each other through intricately woven acts

of duplicity, small battles erupt into bigger wars and a nation emerges from worlds in flux. An Indigenous teen girl is caught between two worlds, both real and virtual, in the YA fantasy debut from bestselling Indigenous author Wab Kinew. Perfect for fans of *Ready Player One* and the *Otherworld* series. *Bugz* is caught between two worlds. In the real world, she's a shy and self-conscious Indigenous teen who faces the stresses of teenage angst and life on the Rez. But in the virtual world, her alter ego is not just confident but dominant in a massively multiplayer video game universe. Feng is a teen boy who has been sent from China to live with his aunt, a doctor on the Rez, after his online activity suggests he may be developing extremist sympathies. Meeting each other in real life, as well as in the virtual world, *Bugz* and Feng immediately relate to each other as outsiders and as avid gamers. And as their connection is strengthened through their virtual adventures, they find that they have much in common in the

real world, too: both must decide what to do in the face of temptations and pitfalls, and both must grapple with the impacts of family challenges and community trauma. But betrayal threatens everything Bugz has built in the virtual world, as well as her relationships in the real world, and it will take all her newfound strength to restore her friendship with Feng and reconcile the parallel aspects of her life: the traditional and the mainstream, the east and the west, the real and the virtual. The acclaimed author of *The Orenda* gives us a powerful and poignant look into the last moments of Charlie Wenjack, a residential school runaway trying to find his way home. An Ojibwe boy runs away from a North Ontario Indian School. Too late, he realizes just how far away home is. Along the way he's followed by Manitou, spirits of the forest who comment on his plight, cajoling, taunting, and ultimately offering him a type of comfort on his difficult journey back to the place he was so brutally removed from. *The Imposter*

*Bride* by Nancy Richler is an unforgettable novel about a mysterious mail-order bride in the wake of WWII, whose sudden decision ripples through time to deeply impact the daughter she never knew. In the wake of World War II, a young, enigmatic woman named Lily arrives in Montreal on her own, expecting to be married to a man she's never met. But, upon seeing her at the train station, Sol Kramer turns her down. Out of pity, his brother Nathan decides to marry her instead, and pity turns into a deep—and doomed—love. It is immediately clear that Lily is not who she claims to be. Her attempt to live out her life as Lily Azerov shatters when she disappears, leaving a new husband and a baby daughter with only a diary, a large uncut diamond – and a need to find the truth. Who is Lily and what happened to the young woman whose identity she stole? Why has she left and where did she go? It's up to the daughter Lily abandoned to find the answers to these questions, as she searches for the mother she

may never find or truly know. It is 1919, and Niska, the last Oji-Cree woman to live off the land, has received word that one of the two boys she saw off to the Great War has returned. Xavier Bird, her sole living relation, is gravely wounded and addicted to morphine. As Niska slowly paddles her canoe on the three-day journey to bring Xavier home, travelling through the stark but stunning landscape of Northern Ontario, their respective stories emerge—stories of Niska’s life among her kin and of Xavier’s horrifying experiences in the killing fields of Ypres and the Somme. In this suspenseful, tender, and completely absorbing debut set in a perilous post-Katrina New Orleans and cartel-plagued Mexico, two teenagers discover a temporary haven in each other. “The Infinite is that rare, beautiful first novel, so contemporary and yet as timeless as first love itself. And Nick Mainieri does what great novelists do with their first great works. He creates unforgettable characters in young lovers Jonah and Luz who,

both together and alone, navigate the rushing river of the borderlands that mark our two Americas. The Infinite is a heart song, and Nicholas Mainieri is one of our next great storytellers.”—Joseph Boyden, author of *The Orenda* and *Three Day Road* Jonah McBee has deep roots in New Orleans, but with hardly any family left, he half-heartedly is planning to enlist in the army after high school. Luz Hidalgo, an undocumented Latina and budding track star, followed her father there after Hurricane Katrina. Both have known loss. Both are struggling to imagine a new future. And when Jonah and Luz fall in love, it is intense, addictive, and real. But everything changes when Luz discovers that she’s pregnant. In a moment of panic, her father sends Luz back to Mexico so her grandmother can help raise the baby. Devastated, Jonah decides to take a road trip with his best friend when he doesn’t hear from her. Little does Jonah know, Luz is fighting for her life. Her trip has been cut short by a

shocking act of violence, thrusting her into the endless cycle of bloodshed perpetrated by the cartels. So Luz does what she does best: She runs. And she goes farther and deeper than she ever imagined. A breathtaking portrait of post-Katrina New Orleans and a riveting descent into Mexico's drug war, *The Infinite* is an utterly unique debut novel about the borders that divide us—and the truths that unite us. Spanning over fifty years, *Ill Humour* follows Dr. Anna Mercer as she struggles to treat a patient named Adam Renfrew, whose sickness makes no sense within the terms of modern medical knowledge. But a chance encounter brings Anna into the company of Donald Firkin, a divorced English professor who soon discovers that Anna's patient makes all too much sense, just not according to modern science. Through a series of manipulations, Firkin convinces Anna that her patient's internal organs have travelled backward through medical history, taking on the properties of the "four humours" of medieval science. What ensues is a

sometimes wry, sometimes passionate story of blackmail, family, and romance. And time-travelling organs. In a floundering 1980s papermill town, awkward widower Floyd Hoffman holds a secret that draws contempt from his teenage son. As tensions rise, Floyd retreats into the past, reliving his tumultuous marriage to Bonnie, a manically-depressed first love whose passion drew him out of his reclusiveness. When his son dies suddenly from the same environmental cancer that claimed Bonnie, Floyd's life falls apart. He loses himself in the pursuit of justice against the reckless papermill responsible for his family's demise. In the midst of his grief, destitute teenager Tammy King appears on his doorstep along with her baby, the result of a clandestine affair with Floyd's son. While Floyd dreams of family redemption through his grandson, Tammy forges separate plans for an independent future. *The Last Hoffman* is a story about the reverberation of family secrets. It will renew your faith in

second chances. The Canadian Civil Liberties Association celebrates its fiftieth anniversary with this overview of its activities--sometimes quiet and sometimes strident--as a watchdog and safeguard for Canadians and their rights as citizens. Through a series of discussions and interviews, a picture of Canada over the last half-century evolves. 1640s, The New World In the remote winter landscape a brutal massacre and the kidnapping of a young Iroquois girl violently re-ignites a deep rift between two tribes. The girl's captor, Bird, is one of the Huron Nation's great warriors and statesmen. Years have passed since the murder of his family, and yet they are never far from his mind. In the girl, Snow Falls, he recognizes the ghost of his lost daughter, but as he fights for her heart and allegiance, small battles erupt into bigger wars as both tribes face a new, more dangerous threat from afar. Travelling with the Huron is Christophe, a charismatic missionary who has found his calling among the tribe and

devotes himself to learning and understanding their customs and language. An emissary from distant lands, he brings much more than his faith to this new world, with its natural beauty and riches. As these three souls dance with each other through intricately woven acts of duplicity, their social, political and spiritual worlds collide - and a new nation rises from a world in flux. WINNER OF CBC CANADA READS Here's the set up: A burnt-out political aide quits just before an election--but is forced to run a hopeless campaign on the way out. He makes a deal with a crusty old Scot, Angus McLintock--an engineering professor who will do anything, anything, to avoid teaching English to engineers--to let his name stand in the election. No need to campaign, certain to lose, and so on. Then a great scandal blows away his opponent, and to their horror, Angus is elected. He decides to see what good an honest M.P. who doesn't care about being re-elected can do in Parliament. The results are hilarious--and with chess, a

hovercraft, and the love of a good woman thrown in, this very funny book has something for everyone. "We are a people who matter." Inspired by President Barack Obama's Of Thee I Sing, Go Show the World is a tribute to historic and modern-day Indigenous heroes, featuring important figures such as Tecumseh, Sacagawea and former NASA astronaut John Herrington. Celebrating the stories of Indigenous people throughout time, Wab Kinew has created a powerful rap song, the lyrics of which are the basis for the text in this beautiful picture book, illustrated by the acclaimed Joe Morse. Including figures such as Crazy Horse, Net-no-kwa, former NASA astronaut John Herrington and Canadian NHL goalie Carey Price, Go Show the World showcases a diverse group of Indigenous people in the US and Canada, both the more well known and the not- so-widely recognized. Individually, their stories, though briefly touched on, are inspiring; collectively, they empower the reader with this message: "We are people who matter,

An Amazon.ca Best Book of 2013: Top 100/Editors' Pick "A gorgeous debut."—JOSEPH BOYDEN, author of Through Black Spruce and The Orenda At the hospital in Blantyre, Malawi, Bryce is learning to predict the worst. Racing heart: infection, probably malaria. He'll send Iris for saline. Shortness of breath? TB. Another patient rolled to the ward. And the round swellings, the rashes with dimpled centres, the small rough patches on a boy's foot? HIV. Iris will make him comfortable. They'll move on. Then there will be sleeplessness, rationed energy, a censoring of hope: the doctor's disease. Iris sees that one all the time. Henry Bryce has come to Blantyre to work off the grief he feels for his old life, but he can't adjust to the hopelessness that surrounds him. He relies increasingly upon Sister Iris's steady presence. Yet it's not until an accident brings them both to a village outpost that Bryce realizes the personal sacrifices Iris has made for

her medical training, or that Iris in turn comes to fathom the depth of Henry's loss. The Strength of Bone is the story of a Western doctor, a Malawian nurse, and the crises that push both of them to the brink of collapse. Winner of the 2015 Burt Award for First Nations, Metis, and Inuit Literature! In a world without time and steeped in ceremony and magic, walks a chosen few who hold an ancient power: the Grey Eyes. True stewards of the land, the Grey Eyes use their magic to maintain harmony and keep evil at bay. With only one elderly Grey-Eye left in the village of the Nehiyawak, the birth of a new Grey-Eyed boy promises a renewed line of defence against their only foe: the menacing Red-Eyes, whose name is rarely spoken but whose presence is ever felt. While the birth of the Grey-Eyed boy offers the clan much-needed protection, it also initiates a struggle for power that threatens to rip the clan apart, leaving them defenceless against the their

sworn enemy. The responsibility of restoring balance and harmony, the only way to keep the Nehiyawak safe, is thrust upon a boy's slender shoulders. What powers will he have, and can he protect the clan from the evil of the Red Eyes? A rare triumph' Guardian Anil's *Ghost* transports us to Sri Lanka, a country

steeped in centuries of tradition, now forced into the late twentieth century by the ravages of a bloody civil war. Enter Anil Tissera, a young woman and forensic anthropologist born in Sri Lanka but educated in the West, sent by an international human rights group to identify the victims of the murder campaigns sweeping the island. When Anil discovers that the bones found in an ancient burial site are in fact those of a much more recent victim, her search for the terrible truth hidden in her homeland begins. What follows is a story about love, about family, about identity - a story driven by a riveting mystery. "A sobering experience . . . The power of this collection comes from the voices of these authors, voices suffused with rage, despair, and madness." —The New York Times Book Review This anthology, with stories set in different prisons across the US, presents an absolutely new perspective on prison literature. From a killer's confession to a desire for redemption, from stories of new cell mates to prison snitches,

this collection of tales runs the gamut of emotions, settings, and voices. Readers are drawn into an unknown world and left with feelings of horror, compassion, and even understanding. Edited by renowned author Joyce Carol Oates, who has led various writing workshops in correctional institutions across America, *Prison Noir* features stories by Christopher M. Stephen, Sin Soracco, Scott Gutches, Eric Boyd, Ali F. Sareini, Stephen Geez, B.M. Dolarman, Zeke Caligiuri, Marco Verdoni, Kenneth R. Brydon, Linda Michelle Marquardt, Andre White, Timothy Pauley, Bryan K. Palmer, and William Van Poyck. “These are stories that resonate with authenticity and verve and pain and truth. Any collection edited by the National Book Award-winning author Oates deserves attention, but the contributors are deft and confident, and great writers without her imprimatur . . . Authentic, powerful, visceral, moving, great writing.” —Library Journal “All the stories, set within jailhouse walls, explore

anguish, lunacy, and sometimes, a desire for redemption. Others offer an unsettling and unvarnished look at life in the clink . . . Perhaps most importantly, the book gives inmates a voice: their own.” —Fine Books & Collections This vivid and concise history traces more than a hundred years of Japanese Americans in Seattle, before and after the tumultuous events of the early 1940s, when World War II and the incarceration of Japanese Americans divided the community from its past and forced tens of thousands of people to uproot and start anew. Concentration camps at Minidoka, Idaho, and nine other inland locations were the crucible for postwar change and accomplishment, but at the same time shattered the dreams and spirits of many of the older immigrant Issei. The story is local, but it is representative of the Japanese American experience on the U.S. West Coast. Poignant photographs from family albums and historical archives illustrate the book, giving faces and names to history. Perfect for fans of

Rain Reign, this middle-grade novel The Brave is about a boy with an OCD issue and his move to a reservation to live with his biological mother. Collin can't help himself—he has a unique condition that finds him counting every letter spoken to him. It's a quirk that makes him a prime target for bullies, and a continual frustration to the adults around him, including his father. When Collin asked to leave yet another school, his dad decides to send him to live in Minnesota with the mother he's never met. She is Ojibwe, and lives on a reservation. Collin arrives in Duluth with his loyal dog, Seven, and quickly finds his mom and his new home to be warm, welcoming, and accepting of his condition. Collin's quirk is matched by that of his neighbor, Orenda, a girl who lives mostly in her treehouse and believes she is turning into a butterfly. With Orenda's help, Collin works hard to overcome his challenges. His real test comes when he must step up for his new friend and trust his new family. Northwords is a cross-

platform project that takes urban Canadian writers Joseph Boyden, Sarah Leavitt, Rabindranth Maharaj, Noah Richler, and Alissa York to some of the world's most extreme environments, to join the conversation about the north. Introduced by award-winning journalist and radio personality Shelagh Rogers, Northwords is a collection of stories written by acclaimed Canadian authors as they experienced one of Canada's most awe-inspiring northern national parks Torngat Mountains National Park, the country's newest national park, and a place steeped in geological and human history. The cross-platform project, which includes a documentary film that follows the authors as they explored the harsh and stunning terrain, had adventures, and created these new works, adds to the continuing story of the North. The stories explore the idea of the North, and what happens when the country's best writers tackle its most overwhelmingly beautiful places. Taking advantage of opportunities presented by

transmedia integration, users can experience the stories in the writers' own words through Anansi Digital, as well as learn more about their processes and what inspired them through interactive content. Users will have access to film and audio content, and together, these related media will create a larger story web, allowing the audience to truly immerse themselves in the sights, sounds, and stories of the North. 2016 Governor General's Literary Award Finalist 2017 Kobo Emerging Writer Prize Winner 2017 Joe Shuster Award Nominee Teva Harrison was diagnosed with metastatic breast cancer at the age of 37. In this brilliant and inspiring graphic memoir, she documents through comic illustration and short personal essays what it means to live with the disease. She confronts with heartbreaking honesty the crises of identity that cancer brings: a lifelong vegetarian, Teva agrees to use experimental drugs that have been tested on animals. She struggles to reconcile her long-term goals with

an uncertain future, balancing the innate sadness of cancer with everyday acts of hope and wonder. She also examines those quiet moments of helplessness and loving with her husband, her family, and her friends, while they all adjust to the new normal. Ultimately, *In-Between Days* is redemptive and uplifting, reminding each one of us of how beautiful life is, and what a gift. Before internationally acclaimed author Joseph Boyden penned his bestselling novel *Three Day Road* and his Scotiabank Giller Prize-winning novel, *Through Black Spruce*, he published a powerful collection of thirteen stories about modern Aboriginal life that made readers and reviewers take notice. These stories of love, loss, rage and resilience match virtuosic style with clever wit to turn stereotypes on their head and reveal the traditions and grace of our First Peoples. Readers come to know a butterfly-costumed boy fascinated by the world of professional wrestling, a young woman who falls in love with a wolf, to the leader of an all-girl

Native punk band and Painted Tongue, the unforgettable character from Through Black Spruce. Though each story is told in a different and distinct voice, they are all united by their captivating vitality, nuanced perceptions and vigorous prose. Father Duncan MacAskill has spent most of his priesthood as the "Exorcist"—an enforcer employed by his bishop to discipline wayward priests and suppress potential scandal. He knows all of the devious ways that lonely priests persuade themselves that their needs trump their vows, but he's about to be sorely tested himself. While sequestered by his bishop in a small rural parish to avoid an impending public controversy, Duncan must confront the consequences of past cover-ups and the suppression of his own human needs. Pushed to the breaking point by loneliness, tragedy, and sudden self-knowledge, Duncan discovers how hidden obsessions and guilty secrets either find their way to the light of understanding or poison any chance we have for love and spiritual peace.

Includes bibliographical references (p. 187-188). The Mantle Site is the most detailed analysis of an ancestral Wendat community, discussed in the context of the historical development of Northern Iroquoian societies. It considers themes of identity formation, interaction, and increasing economic and sociopolitical complexity. Driven by deep frustration, anger, and sorrow in the wake of yet another violent assault upon a First Nations woman in November 2014, dozens of acclaimed writers and artists have come together to add their voices to a call for action addressing the deep-rooted and horrific crimes that continue to fester in our country. Kwe means woman in Ojibwe. More specifically, kwe means life-giver or life-carrier in Anishinaabemowin, the Ojibwe language. It is a pure word, one that speaks powerfully of women's place at the heart of all our First Nations. These women who bring light and life to our world are in peril. Aboriginal women in our country are three times more

likely to face violent attack and murder than any other of their gender. We must take concrete steps to stop this and we must do it now. A nation is only as good, is only as strong, as how it treats its most vulnerable and those of us in danger. This book is a call to action. It's sometimes a whisper, sometimes a scream, but we speak our words as one when we demand justice for our more than 1200 murdered and missing Indigenous women. After all, they are our mothers, our daughters, our nieces, our aunties, our sisters, our friends. Penguin Canada is donating all proceeds from the sale of *Kwe: Standing With Our Sisters* to Amnesty International's No More Stolen Sisters initiative. Although spectral Indians appear with startling frequency in US literary works, until now the implications of describing them as ghosts have not been thoroughly investigated. In the first years of nationhood, Philip Freneau and Sarah Wentworth Morton peopled their works with Indian phantoms, as did Charles Brocken Brown,

Washington Irving, Samuel Woodworth, Lydia Maria Child, James Fenimore Cooper, William Apess, Nathaniel Hawthorne, and others who followed. During the late 19th and early 20th centuries, Native American ghosts figured prominently in speeches attributed to Chief Seattle, Black Elk, and Kicking Bear. Today, Stephen King and Leslie Marmon Silko plot best-selling novels around ghostly Indians and haunted Indian burial grounds. Renée L. Bergland argues that representing Indians as ghosts internalizes them as ghostly figures within the white imagination. Spectralization allows white Americans to construct a concept of American nationhood haunted by Native Americans, in which Indians become sharers in an idealized national imagination. However, the problems of spectralization are clear, since the discourse questions the very nationalism it constructs. Indians who are transformed into ghosts cannot be buried or evaded, and the specter of their forced disappearance haunts the

American imagination. Indian ghosts personify national guilt and horror, as well as national pride and pleasure. Bergland tells the story of a terrifying and triumphant American aesthetic that repeatedly transforms horror into glory, national dishonor into national pride.
