A Sand County Almanac May 12 2022 Few books have  
had a greater impact than A Sand County Almanac, which  
many credit with launching a revolution in land

management. Written as a series of sketches based principally upon the flora and fauna in a rural part of Wisconsin, the book, originally published by Oxford in 1949, gathers informal pieces written by Leopold over a forty-year period as he traveled through the woodlands of Wisconsin, Iowa, Arizona, Sonora, Oregon, Manitoba, and elsewhere; a final section addresses the philosophical issues involved in wildlife conservation. Beloved for its description and evocation of the natural world, Leopold's book, which has sold well over 2 million copies, remains a foundational text in environmental science and a national treasure.

Yours Truly, Taddy Nov 18 2022 Jetting to Martinique for a modeling assignment with three of Europe's hottest magazine photographers--Gustave, Fabian and Leon--should have been easy, breezy beautiful. Never did I expect to look up and see a hole in the ceiling of our plane that was bigger in size than my Birkin bag. We're nose-diving toward Eden Island. I pictured how my New York Times obituary might read when I'm gone. I swear this crap only happens to me. Suddenly, Leon pulls me with Fabian and Gustave. Adrenaline racing through me, our bodies cling as one. We prepare to crash.

**Highland Wedding** Nov 06 2021 An arranged marriage unites two Scottish clans—and two Highland hearts—in a captivating novel from the New York Times–bestselling author. The vivid scar that spans Sir Iain MacLagan’s cheek is a daily reminder of the wife he lost—and of the

enemy that still stalks him. Commanded by Scotland's king to remarry in order to unite two powerful border clans, Iain reluctantly weds Islaen MacRoth, a woman whose delicate appearance belies a playful, seductive nature that proves dangerously attractive to a man who has vowed never to jeopardize his heart, or his loved ones, again . . . Raised with eleven boisterous brothers, Islaen has little time for foolish romantic notions. Even so, she hoped for more than a forced marriage to a man who shares her bed, but not her life. Step by step, Islaen sets out to wear down Iain's defenses.

**A Crack in Everything** Dec 07 2021 Life used to be

simple. I was a city girl with humble dreams. Then Dylan O'Dea broke into my flat, held me against the wall and told me to stay quiet. It was like in the movies, where the universe zeros in on a single scene. I looked into his eyes and knew he was going to change me. For Dylan, the sky was always falling. He showed me how our world is a contradiction of beauty and ugliness. How we choose to ignore the awful and gloss over it with the palatable. How you need just a tiny drop of something unsavoury to create every great scent. Pretty deep for a pair of teenagers living in a block of council flats in inner city Dublin, right? Probably. But we weren't typical. We both had our obsessions. Mine was growing things, Dylan's was scent. He taught me how to use my nose, and I introduced him to the magic of flowers. I had no idea that one day he'd build an empire from what we started together. But before that, there was love and happiness, tragedy and epic heartbreak... My name is Evelyn Flynn and I'm going to tell you about the crack in everything. A Crack in Everything is Book #1 in L.H. Cosway's Cracks duet.

**Bat Boy** Aug 23 2020 Brady Donovan With a baseball scholarship to Easton University and awesome family and friends, my life is pretty golden. Except, things have never come together for me in the romance department. Until Kellan Crawford walks onto the field as the team's newest bat boy. Bells and whistles go off in my body, and just like that, I'm totally crushing on a guy for the first time in my life. Too bad he's the coach's son and officially off-limits. Kellan Crawford I'm working toward my statistics degree, so landing the bat-boy position with the Easton U Pirates is right up my alley. It keeps me close to the action on the field, even if that means hauling equipment, picking up sweaty jockstraps, and putting up with the players' antics. My dad's the coach, and his

number-one rule is never to play favorites...which probably includes getting too friendly with the team captain. But Brady Donovan's annoyingly perfect smile and protective nature are making that nearly impossible. When something shifts between us at an away game, everything is thrown off-kilter. Donovan's never been with a guy before, and I certainly don't want to be his test case. But I can't seem to help myself. He's sweet and hot and somehow charms the baseball pants right off me. If Coach ever catches wind of this, he'll bench us both. Disappointing my dad might kill me, but so would losing the guy who makes my heart pound harder than a home run in the bottom of the ninth. So much for not playing favorites. \*Bat Boy is a feel-good college baseball romance with swoon and banter and steam. It's a tad shorter than my other full-length novels and is intended for those readers who might need a lighter escape from the real world.

**TAKING TURNS** May 20 2020 I've never been afraid of the dark...but that doesn't mean I wanted to live in it. And maybe everyone wants what they can't have, but I should've thought it over before I accepted the key and unlocked the door to their forbidden world. Number One is mostly silent. He watches me with them very carefully. His gaze never wanders. His interest never wanes. Number Two is mostly gentle. But it's the other side of him I like best. The wild side. Number Three is mostly reserved. He refuses to cross the line. Even when I beg. It

was carnal, it was sensual, and it was erotic. That's it. That's all it was supposed to be. A trip into the dark. A peek into the forbidden. I just didn't expect to like them.

*Xo, Blake* Nov 13 2019 For fans of the dark comedy film *Tie Me Up, Tie Me Down* comes an erotic exploration in domination and submission where Ivy League students let their naughtiest desires run wild... If you think my besties Lex, Taddy, and Vive have had some bad luck earlier this year, cut to me at Glamorama. Last thing I remembered was dancing with Diego and Miguel from my English class, when the room started... spinning. And not in a good way! We got sick. Think Regan in *The Exorcist*. Taddy was rushed to the hospital. Holding on for dear life, I was carried out by the boys and taken back to their dorm. Now I'm waking up in Diego's bed and Miguel keeps staring at me from across the room. I've wanted to get into these dudes' pants since the first day of class. But Diego told me he likes to be tied up and wait for it- spanked. WTF! The news on TV reports that last night we all got roofied. And Vive just texted me saying that someone is out to kill her. Could this semester get any more bizarre? --Blake Morgan, college freshman, gay best friend, virgin

*The Undergrad Years* is a naughty new adult contemporary miniseries about first loves, independence, and everlasting friendships.

*Frayed* Oct 13 2019 Bad boy football star. Innocent girl next door. Two different worlds. One small town. A million reasons why they should have stayed away from

one another. "My new favorite Laura Pavlov book. It felt like watching the show Friday Night Lights only better." Willow Aster, USA Today Bestselling Author My name is Adelaide Edington, and my life was mapped out for me before I even entered the world. Who I'd date, where I'd attend college, what I'd be when I grew up. But there comes a time in everyone's life when they face a fork in the road. Should I go left, or should I go right? It didn't matter as long as I didn't remain stagnant any longer. Jett Stone opened me up to a whole new world. Reminding me that it was okay to find my own way. I could have roots in Willow Springs and still spread my wings and fly. What I didn't expect was to fall in love with the broody football player. The boy I'd known since kindergarten. The boy who I wasn't supposed to be with-but had somehow become my everything.

Both his accomplishments and demons there for judgment. I'm a girl who likes to play roller derby from, of all places, Wisconsin. My own demons better concealed. And one day... He notices me.
