Everyone holds the divine within them, but sometimes it can be hard to find within ourselves. *You Are Divine* shares dozens of journal prompts with supportive narratives and inspiring advice so you can explore your own process for taking back power, calling for justice and balance, following your heart, recognizing and celebrating the divine, connecting with your creativity, exploring eco-feminism, and much more.

In Search of the Divine Mother Oct 20 2022 A young and undeniably powerful holy woman. A writer whose spiritual longing is gloriously fulfilled while his personal quest is fractured and temporarily subverted. *In Search of the Divine Mother* is an epic drama revealing, for the first time, the full story of the contemporary mystic known to her thousands of devotees as Mother Meera. Tracing the history and significance of the mysterious Indian woman who is visited by hundreds of

people--easterners and westerners alike--each week in her modest German countryside home, writer Martin Goodman reveals how and why Mother Meera, born an uneducated peasant in rural India, is considered by many to be the ultimate incarnation of the feminine divine in our time. A former devoted insider given unique access to Mother Meera's inner circle, Goodman brings his considerable talent to this absorbing and wonderfully literate account of his own mystical encounters with Mother Meera, which began with his first visit in 1991, and the remarkable events that comprise her life and astonishing spiritual work. In 1995, Mother Meera authorized Goodman to write her official biography, granting him unprecedented access to her life and her history. The book he wrote was completely destroyed on Mother Meera's orders. This is the work that rose from the ashes of those burned pages--a deeper, more subjective, and broader ranging volume that layers biography with the mesmerizing story of a true spiritual adventure. Filled with all the beauty and drama of a mythic novel, it yields a remarkable portrait of a genuine contemporary mystic on a crucial mission to bring divine light into the world. Goodman's tale is one of clear insight and profound admiration. Having distanced himself from Mother Meera and her organization, he is uniquely able to provide a truthful and fair-minded reflection of the phenomena that surround Mother Meera and to add new depth to the stories of her that are familiar to readers of such works as Andrew Harvey's *Hidden Journey* and her own, published works. While he readily admits that she is not infallible, Goodman nonetheless reveals Mother Meera's true gift of opening up the divinity we each hold within us--she exists, he writes, "as an open door through which we can see and meet God." I am walking down a hill toward a German village because people say God lives there. She is at home for the evening and receiving visitors. Born in 1960 in a village in southern India, a sickly child named Kamala is soon "discovered" and guided out of poverty and onto the world stage as an

incarnation of the Divine Mother on earth. Mother Meera, as she came to be known, is a figure shrouded in mystery and wonder. She holds court in a small town in Germany, where over 40,000 people from around the world have gone to seek enlightenment in her presence. She teaches only through her profound, silent gaze and remarkable touch, and asks nothing--no money, no allegiance--from those who choose to follow her. For the thousands who have visited her, and the thousands more who have wondered at her power and widespread appeal, *In Search of the Divine Mother* offers a riveting inside account of one man's search to discover the truth about Mother Meera. Through his beautifully written and richly textured work, celebrated novelist Martin Goodman creates both a magnificent tale of spiritual transformation and a fascinating profile of a true mystic living in our time.

Man Seeks God Jan 23 2023 Bestselling author of *Geography of Bliss* returns with this funny, illuminating chronicle of a globe-spanning spiritual quest to find a faith that fits. When a health scare puts him in the hospital, Eric Weiner--an agnostic by default--finds himself tangling with an unexpected question, posed to him by a well-meaning nurse. "Have you found your God yet?" The thought of it nags him, and prods him--and ultimately launches him on a far-flung journey to do just that. Weiner, a longtime "spiritual voyeur" and inveterate traveler, realizes that while he has been privy to a wide range of religious practices, he's never seriously considered these concepts in his own life. Face to face with his own mortality, and spurred on by the question of what spiritual principles to impart to his young daughter, he decides to correct this omission, undertaking a

worldwide exploration of religions and hoping to come, if he can, to a personal understanding of the divine. The journey that results is rich in insight, humor, and heart. Willing to do anything to better understand faith, and to find the god or gods that speak to him, he travels to Nepal, where he meditates with Tibetan lamas and a guy named Wayne. He sojourns to Turkey, where he whirls (not so well, as it turns out) with Sufi dervishes. He heads to China, where he attempts to unblock his chi; to Israel, where he studies Kabbalah, sans Madonna; and to Las Vegas, where he has a close encounter with Raelians (followers of the world's largest UFO-based religion). At each stop along the way, Weiner tackles our most pressing spiritual questions: Where do we come from? What happens when we die? How should we live our lives? Where do all the missing socks go? With his trademark wit and warmth, he leaves no stone unturned. At a time when more Americans than ever are choosing a new faith, and when spiritual questions loom large in the modern age, *Man Seeks God* presents a perspective on religion that is sure to delight, inspire, and entertain.

Kitty Slade 1: Divine Freaks Apr 21 2020 Hey, I'm Kitty Slade. Just your average, normal girl, doing, you know, normal stuff. Got a brother (annoying), a sister (quite annoying) and a grandma (she's awesome). Oh yeah, and one more thing. I can see dead people.' When a ghost turns up in her biology classroom, only one thing's for sure - Kitty Slade's life is about to get freaky...

Gene Edwards's classic tale is the greatest love story ever told.

The New and Complete Whole Duty of Man, Etc. [A Deist Adaptation of "The New Whole Duty of Man".] Jan 31 2021

Divine Fire Jul 17 2022 How to find wisdom and spiritual sustenance in a time of crisis and uncertainty? In *Divine Fire*, David Woo answers with poems that move from private life into a wider world of catastrophe and renewal. The collection opens in the most personal space, a bedroom, where the chaotic intrusions of adulthood revive the bafflements of childhood. The perspective soon widens from the intimacies of love to issues of national and global import, such as race and class inequality, and then to an unspoken cataclysm that is, by turns, a spiritual apocalypse and a crisis that could be in the news today, like climate change or the pandemic. In the last part of the book, the search for ever-vaster scales of meaning, both sacred and profane, finds the poet trying on different personas and sensibilities—comic, ironic, earnest, literary, self-mythologizing— before reaching a luminous détente with the fearful and the sublime. The divine fire of lovers fading in memory—“shades of the men in my blood”—becomes the divine fire of a larger spiritual reckoning. In his new book of poems, Woo provides an astonishing vision of the world right now through his exploration of timeless themes of love, solitude, art, the body, and death.

Twenty Days Search for Divine Wisdom and Knowledge Apr 14 2022 Are You Ready To Explore Divine Wisdom and Knowledge? Have you been longing for divine wisdom and knowledge? Since my childhood I have been searching for divine wisdom. When I read about the wisdom of Solomon in the bible, I get inspired the more. Then I found the book of wisdom of Jesus son of Sirach, also called Ecclesiasticus. It is one of the deuterocanonical books of the bible, also called Apocrypha. Since then, this book has been my companion. I read it almost every day. This book: 20 Days Search For Divine Wisdom And Knowledge was written under the inspiration of the Holy Spirit. I wrote the manuscript of his book in the chapel where I get my inspirations. This ebook is a motivational book and reveals some hidden or secret wisdom and knowledge. It is a summary of the book of Sirach. I

also elaborated on some wise quotes, food for thought and reflections mentioned by Jesus son of Sirach. I read the book of Sirach three times before I could summarize it in this inspirational book. The cost of divine wisdom and knowledge is priceless. Sacrifice whatever it will cost you to get it. This book: *Twenty Days Search For Divine Wisdom And Knowledge* is recommended for every Christian who seeks divine wisdom and knowledge and also needs spiritual growth. It touched all aspects of human life and relationship - both with your fellow human being and with God. It help you to be more conversant with your bible. It also addresses the principles of wealth. Say the conclusion prayer for each day with faith because it is through faith that you can receive God's blessings. You are privileged to have located this book.

True Woman 101: Divine Design Sep 26 2020 What does it mean to be a woman? The current cultural ideal for womanhood encourages women to be strident, sexual, self-centered, independent -- and above all -- powerful and in control. But sadly, this model of womanhood hasn't delivered the happiness and fulfillment it promised. The Bible teaches that it's not up to us to decide what womanhood is all about. God created male and female for a very specific purpose. His design isn't arbitrary or unimportant. It is very intentional and He wants women to discover, embrace, and delight in the beauty of His design. He's looking for True Women! Bible teachers Mary A. Kassian and Nancy Leigh DeMoss share the key fundamentals of biblical womanhood in this eight week study. Each week includes five daily individual lessons leading to a group time of sharing and digging deeper into God's Word. And to enhance this time of learning together, on-line videos are available featuring Mary and Nancy as they encourage women to discover and embrace God's design and mission for their lives. A True Woman Book The goal of the True Woman publishing line is to encourage women to: Discover, embrace, and delight in God's divine design and mission for their

lives Reflect the beauty and heart of Jesus Christ to their world Intentionally pass the baton of Truth on to the next generation Pray earnestly for an outpouring of God's Spirit in their families, churches, nation and world

Change, the Arrow of Time, and Divine Eternity in Light of Relativity Theory Jun 23 2020 This book has two aims; first, to provide a new account of time's arrow in light of relativity theory; second, to explain how God, being eternal, relates to our world, marked as it is by change and time. In part one, Saudek argues that time is not the expansive universal 'wave' that it appears to be, but nor are we living in an unchanging block. Rather, time is real but local: there are infinitely many arrows of time in the universe, each with their own fixed past and open future. This model is based on the ontology of substances which can exist in different states, marked by different properties. On this basis, a derivation of temporal precedence and of the asymmetry between the fixed past and the open future is provided. Time's arrow is thus 'attached' to substances, and is therefore a local rather than global phenomenon, though by no means an illusory or merely subjective one. In part two, this model is then applied to the perennial questions concerning the relationship between divine eternity and the temporal world: How can my future choices be free if God already knows what I will do? Can God act if He is not in time? Through the lens of relativity theory, such questions are shown to appear in a completely new light. The book combines insights from theoretical physics with ancient and contemporary philosophy into a unique synthesis, broaching a wealth of key issues including the arrow of time, the evolution of the cosmos, and a physics-based defence of eternalism in philosophical theology.

Searching for the Divine in Plato and Aristotle Nov 21 2022

The Divine Mar 13 2022 Mark's out of the military, these days, with his boring, safe civilian job doing explosives consulting. But you never really get away from war. So it feels inevitable when his old army buddy Jason comes calling, with a lucrative military contract for a mining job in an obscure South-East Asian country called Quanlom. They'll have to operate under the radar-Quanlom is being torn apart by civil war, and the US military isn't strictly supposed to be there. With no career prospects and a baby on the way, Mark finds himself making the worst mistake of his life and signing on with Jason. What awaits him in Quanlom is going to change everything. What awaits him in Quanlom is weirdness of the highest order: a civil war led by ten-year-old twins wielding something that looks a lot like magic, leading an army of warriors who look a lot like gods. What awaits him in Quanlom is an actual goddamn dragon. From world-renowned artists Asaf and Tomer Hanuka (twins, whose magic powers are strictly confined to pen and paper) and Boaz Lavie, The Divine is a fast-paced, brutal, and breathlessly beautiful portrait of a world where ancient powers vie

with modern warfare and nobody escapes unscathed.

In Search of Divine Reality Sep 19 2022 In this remarkable treatise, Professor Schafer shares his conclusions from a lifelong search for evidence - from quantum science - of the existence of a transcendent part of physical reality, combining disciplinary thought from science, philosophy, and religion, including ethics, to address the educated generalist and layman with a profound look at existence. Braving controversy, Professor Schafer concludes that the discovery of the phenomena of quantum mechanics has established a new covenant - between the human mind and the mind-like background of the universe - one that provides a home again to the homeless and meaning to seemingly pointless life. In this new understanding of the world, the universe must be assumed to have a moral as well as a physical order, and facts and values derive, again, from a single source.

Outrageous Openness Apr 02 2021 "Whether we know it or not, we all experience the touch of the Divine in our lives every single day. After twenty-five years spent consulting and advising tens of thousands of people from all over the world, Tosha Silver realized that almost all of us have similar concerns: "How do I stop worrying? How can I feel safe? Why do I feel so alone?" and often, "Who am I really?" For the passionately spiritual and the bemusedly skeptical alike, she created *Outrageous Openness*. This delightful book, filled with wisdom and fresh perspectives, helps create a relaxed, trusting openness in the reader to discover answers to life's big questions as they spontaneously arise."--Amazon.com.

The Divine Dance Aug 06 2021 The Trinity is supposed to be the central, foundational doctrine of our entire Christian belief system, yet we're often told that we shouldn't attempt to understand it because it is a 'mystery'. Should we presume to try to breach this mystery? If we could, how would it transform our relationship with God and renew our lives? The word Trinity is not found in the New Testament—it wasn't until the third century that early Christian father Tertullian coined it—but the

idea of Father, Son, and Holy Spirit was present in Jesus' life and teachings and from the very beginning of the Christian experience. In the pages of this book, internationally recognized teacher Richard Rohr circles around this most paradoxical idea as he explores the nature of God—circling around being an apt metaphor for this mystery we're trying to apprehend. Early Christians who came to be known as the 'Desert Mothers and Fathers' applied the Greek verb perichoresis to the mystery of the Trinity. The best translation of this odd-sounding word is dancing. Our word choreography comes from the same root. Although these early Christians gave us some highly conceptualized thinking on the life of the Trinity, the best they could say, again and again, was, Whatever is going on in God is a flow—it's like a dance. But God is not a dancer—He is the dance itself. That idea might sound novel, but it is about as traditional as you can get. God is the dance itself, and He invites you to be a part of that dance. Are you ready to join in?

Truth of the Divine Sep 07 2021 Sequel to instant New York Times bestseller Axiom's End, in Truth of the Divine, Lindsay Ellis deepens her exploration of a world faced with the presence of extra terrestrial intelligence. The human race is at a crossroads; we know that we are not alone, but details about the alien presence on Earth are still being withheld from the public. As the political climate becomes more unstable, the world is forced to consider the ramifications of granting human

rights to non-human persons. How do you define “person” in the first place? Cora Sabino not only serves as the full time communication intermediary between the alien entity Ampersand and his government chaperones, but also shares a mysterious bond with him that is both painful and intimate in a way that neither of them could have anticipated. Despite this, Ampersand is still keen on keeping secrets, even from her, which backfires on both of them when investigative journalist Kaveh Mazandarani, a close colleague of Cora's estranged whistleblower father, witnesses far more of Ampersand's machinations than anyone was meant to see. Since Cora has no choice but to trust Kaveh, the two must work together to prove to a fearful world that intelligent, conscious beings should be considered persons, no matter how monstrous-looking, powerful, or malicious they may seem. Making this case is hard enough when the public doesn't know what it's dealing with, and it will only become harder when a mysterious flash illuminates the sky, marking the arrival of an agent of chaos that will light an already unstable world on fire.

The Divine CEO Nov 28 2020 The Divine CEO is a no-nonsense, pragmatic book about the hierarchy of spiritual ascent. It comes from the pen of acclaimed writer Geoff Thompson; former bouncer, world ranking martial arts guru, and BAFTA winning screenwriter. This is a masterclass on how to contract your ego, expand your conscious awareness, and build a powerful internal hierarchy, through mastery of mind, body and senses. For anyone looking to break their negative associations with the world and create a divine covenant with their Greatest Potential (their own internal Chief Executive Officer), this empirical, muscular and direct study of spiritual ascension is the perfect companion. It is the essence of the author's fifty year apprenticeship in practical spirituality, and high end Budo martial arts.

Imagining the Divine Dec 22 2022 This groundbreaking volume brings together scholars of the art

and archaeology of late antiquity (c. 200–1000), across cultures and regions reaching from India to Iberia, to discuss how objects can inform our understanding of religions. During this period major transformations are visible in the production of religious art and in the relationships between people and objects in religious contexts across the ancient world. These shifts in behavior and formalizing of iconographies are visible in art associated with numerous religious traditions including, but not limited to, Buddhism, Christianity, Hinduism, Islam, Judaism, Zoroastrianism, religions of the Roman Empire, and paganism in northern Europe. Studies of these religions and their material culture, however, have been shaped by Eurocentric and post-Reformation Christian frameworks that prioritized Scripture and minimized the capacity of images and objects to hold religious content. Despite recent steps to incorporate objects, much academic discourse, especially in comparative religion, remains stubbornly textual. This volume therefore seeks to explore the ramifications of placing objects first and foremost in the comparative study of religions in late antiquity, and to consider the potential for interdisciplinary conversation to reinvigorate the field.

Scouting the Divine Feb 24 2023 Popular author and speaker Feinberg explores how ancient livelihoods illuminate meaningful Christian truths that apply to life today.

In Search of Sai Divine Dec 10 2021 This very important research based, comprehensive and most enlightening book is the revised and updated book combining my two most important books on Sri Sathya Sai Incarnation: Section I presents the second Sai Baba Incarnation - Sri Sathya Sai Babas life (1926-2011), His Identity and Role, Teachings and His Contributions to humanity. It is the revised and updated version of the authors first book Sai Baba Sai and His Message (1975) which was very much appreciated by Sri Sathya Sai Baba saying: very good book, Yes, very good book. Its 13 editions were published from 1975 to 2002.. Section II presents a sample of Sri Sathya Sai Babas

thrilling miracles for which He has been universally known as Man of miracles. His miracles are still happening throughout the world even after His leavingg His mortal body on 24th April,2011 at the age of 85.. In Section III is presented the authors own self-inspired life-long research review of the important writings of Sai devotees and scholars from various fields on this great incarnation of this age and His unique contributions to the moral and spiritual development and social welfare of millions of people throughout the world. It is a unique study as no one else has as yet done such a research review. This publication is being published on the happy occasion of His 90th Birth Anniversary on 23rd November 2015 as the tribute of the 80 year old author who has been privileged to be His ardent devotee for the last 40 years as His devotee since 1971 and studying His spiritual and social movement as a quasi observer retaining his Identity as an independent sociologist.

It's Not Your Money May 23 2020 New in paperback from the author of Outrageous Openness: a witty and spirited guide to radically releasing the burdens of financial fears. It's natural to crave prosperity. Some seek to manifest it in myriad ways--using anything from vision boards to writing a pretend check for a million dollars from the Bank of Divinity. Yet whatever comes, or doesn't, the mind always seems to want more. But what if there was a whole other way? Instead of grasping and chasing, what if we offered everything--our money (or lack of it), our triumphs, our problems, our desires--fully back to Love? What if this offering itself was actually the secret to abundance? Tosha Silver, internationally beloved spiritual guide, has created a practical and powerful financial book unlike any other. Leading you through a deeply transformative eight-week process, she shares the mental, emotional, and spiritual steps that anyone can take to learn to fully receive and prosper. Her step-by-step guidance is filled with prayers, meditations, and stories to help you find and heal the

source of these fears and unworthiness. As you come to know you are part of something larger--something that you serve and that longs to serve you--you begin to feel a new sense of freedom and abundance. You yourself become a vehicle for Divine Flow.

Rock Your World with the Divine Mother Jun 16 2022 The Divine Mother is known by many names and takes many forms. In Christianity, she is the Virgin Mary. In China, she is universally loved as the goddess of compassion, Quan Yin. In Hawaii, Pele, the goddess of fire, manifests in the form of a woman near the volcanoes. In India, she is embodied by Kali, Lakshmi, Tara, and other goddesses. The fusion of feminine qualities from all religions and traditions, the Divine Mother can be a nurturing presence and a powerful guide along your individual spiritual path. Through stories, prayers, and teachings, Sondra Ray enthusiastically escorts you into the profound reawakening of the sacred feminine in the hearts and minds of seekers throughout the world. Ray describes her pilgrimages to holy places where she has sought the divine feminine, from the revered Baca Valley in Colorado to the Himalayan foothills. Her reflections on Amma (the hugging saint), Mother Teresa, Mary Magdalene, and other Divine Mothers, as well as men like Shastriji and Babaji, who embrace the feminine aspect of divinity, provide insight and inspiration as well as suggestions for worship and renewal. Ray's delightful and awe-inspiring adventures, coupled with insightful teachings and prayers, show how embracing the Divine Mother can help attract more love, abundance, clarity, and wisdom into your life. In Rock Your World with the Divine Mother, Ray demonstrates that the Divine Mother's presence is essential for both inner peace and peace in the world.

Divine Omniscience and Human Free Will Aug 26 2020 This book deals with an old conundrum: if God knows what we will choose tomorrow, how can we be free to choose otherwise? If all our choices are already written, is our freedom simply an illusion? This book provides a precise analysis

of this dilemma using the tools of modern metaphysics and logic of time. With a focus on three intertwined concepts - God's nature, the formal structure of time, and the metaphysics time, including the relationship between temporal entities and a timeless God - the chapters analyse various solutions to the problem of foreknowledge and freedom, revealing the advantages and drawbacks of each. Building on this analysis, the authors advance constructive solutions, showing under what conditions an entity can be omniscient in the presence of free agents, and whether an eternal entity can know the tensed futures of the world. The metaphysics of time, its topology and the semantics of future tensed sentences are shown to be invaluable topics in dealing with this issue. Combining investigations into the metaphysics of time with the discipline of temporal logic this monograph brings about important advancements in the philosophical understanding of an ancient and fascinating problem. The answer, if any, is hidden in the folds of time, in the elusive nature of this feature of reality and in the infinite branching of our lives.

Living the Mystery Dec 30 2020 "If life is a giant magic show, where is the magician, and why are some of us tricked?" Weaving throughout this story is the mystical and the divine. In the everyday mundane living, within all happiness and our sorrows lies the secret of life. This is about Sanrami's

journey, her meditations, mystical experiences, adventures and spiritual awakenings. Through meditations, the Heart Awakening Project and Biblical Studies, Sanrami has come to be aware of the synchronicity threading within each moment, finding the deeper levels of the story and purpose of all life on earth. The story shows us how when we open our hearts and minds, the soul will guide us to envision the true purpose of our existence. We will find the "Ageless Wisdom," the mystery of our life.

A Search for the Divine Feminine Aug 18 2022 "This paper is a personal effort to come to some resolution about the significance of God in [the author's] life. In particular [the author wishes] to explore the way in which the divine has been traditionally understood in Western Christianity. In [the author's] experience this was a masculine God who exists outside and apart from [herself], transcendent and totally other. Only through the literal interpretation of the life and death of God's son was [the author] able to come to some appreciation of divine love...[The author understands] that the individual quest for inner truth is a journey which holds potential for healing and for the survival of our planet Earth. The approach in this paper is necessarily autobiographical because of the intimate nature of spiritual faith." -- from the abstract.

My Son Divine Jun 04 2021 A remarkable biography of Divine, the legendary drag queen and star of John Waters' cult films 'Female Trouble', 'Pink Flamingos', 'Polyester' and 'Hairspray'. Written by his mother, it follows Divine's life from angelic choirboy to troubled teen to flamboyant adult and reveals a never-before-seen side of the internationally renowned actor and drag performer. Illustrated with hundreds of b/w and colour photographs, this is a major biography of one of the

world's best loved gay icons.

Wombat Divine Jan 11 2022 Wombat auditions for the Nativity play but has trouble finding the right part.

Our Divine Story Oct 16 2019 Our Divine Story is my humble attempt at revealing a well hidden story within a well known story. The Story of Our Divine Creation. The Genesis of Us as told in the Holy Torah, Koran, and Bible is an incomplete version of our history, creators, and creation. Very important details were omitted and or changed. I have often blamed the religious world and the egos of men for the mutation of Our history. And they do have a huge responsibility to bare. I now overstand what was meant to be accomplished by altering and omitting certain details from future generations. Although it has not yet been accomplished. Not that I agree with decent in any form. We have all heard of mythical stories from the past. Books and movies have been written about them, academics and studied them. The Gods are stories from ancient myths right? They came from the imagination of some very creative, ancient story teller. What if the opposite were true? And there were Super Humans on Earth and they were responsible for our creation, education, and Spiritual Manipulation? What if we really did view and worship them as Gods until a time when we began to question their loftiness and divinity? Then came the time when they would separate themselves from the affairs of men and act only as Emissaries of the One True God, the Source of All that is. When the time came to record the story for future generations the attributes and actions of the 'gods' were attributed to a singular male deity. When Jesus came along, his mission was to teach us Our true nature and relation to the Source. This undermined the authority of the church, and we all know how that story ended. There is no profit in Spiritual Freedom. Spiritual exploitation is where the money is at!!! I first read the bible at the age of thirteen. It left me very confused, and my pastor left me with

out answers. I questioned, how did God do all that in seven days, who else was with God when he created Adam, who did Cain fear when he was expelled from the Garden, were Adam and Eve's kids committing incest, and please explain to me why God's personality seems to change from one book to the next These questions and more are my means of inspiration. I was raised as a Muslim and attended a Christian school so of course I had questions because I had been taught that the most important thing you can do on Earth is worship God. If giving my life to God is what I am here for, then I should know all there is to know about the One I'm going to give my life to. Or? My questions and lack of answers from the religious community leaders lead me to search out side of religion for answers that made sense to me. Seek and yea shall find. Our Divine Story is the result of my search up until now.
