THE BROKEN LINE What do you really know about your parents? Look, when you get this message, call me, Elaines twin brother tersely instructed. And before Lane could terminate the connection, she snatched up the receiver and greeted her younger brother. It had been a while since they had last spoken, and when he mentioned their parents, she was curious and picked up. Missing? How could that be? Where were her parents? In The Broken Line, Elaine steps into Kash Bennett and Leslie Scotts world of mystery and intrigue while retracing their steps and realizing that much of the existence she enjoyed as a child was a cover for a double life. Not unlike Alice falling through the proverbial rabbit hole where nothing is as it seems, Elaine realizes that her parents disappearance might be far more than a tragic accident and her own life may be more complicated than she ever thought possible; especially when she learns her soon-to-be ex-husband, Jack Phillips is in the family business as well. Combining the journals she finds in her parents attic, Elaine follows the clues from as far back as 1947 China to the present day in

trying to locate her folks. She blends new age technology with old world spy techniques to close the gap in finding Kash and Leslie and the mole they had been chasing for nearly six decades. Cara just met the man of her dreams. Too bad he's immortal and she's about to die. From the bestselling author of Summer Unplugged, The Immortal Mark is an urban fantasy romance series that puts a new twist on immortality. This Bundle Edition Includes: Book 1: The Immortal Mark The only thing Cara got for her eighteenth birthday was an unexpected invitation to move out of her uncle's house. College isn't an option for a poor girl with average grades, so when her best friend Riley finds them a mysterious job opportunity that includes room and board, Cara is interested but thinks it sounds too good to be true. The night before their interview, Cara has an epic night out with Theo, an impossibly handsome guy she just met. He's charismatic, a little mysterious, and it feels like she's known him her whole life. When she runs into him at her interview, he's cold and elusive. He makes it very clear that he doesn't want her working with him, which only makes their mutual attraction burn hotter. Cara takes the job for Riley's sake and promises

herself she'll avoid this jerk and his mood swings, no matter how hard it is to keep away from him. Soon she finds out her millionaire employers aren't normal guys who live and travel in luxury. They're immortals. Theo wasn't trying to ruin her job prospects. He was trying to save her life, because the girls they hire never make it out alive. Book 2: The Immortal Truth Cara and Riley know the truth about their new job, but they can't say a word about it to anyone or they'll be killed. While their fates hang in the balance, Theo has promised to find a way to help them. Theo has been shielding Cara from the horrible truth, but Cara has just discovered some truths that even he didn't know. Book 3: The Immortal Bond After discovering who's really in charge of the Rosewater Clan, Cara and Theo find themselves in a deadly imprisonment they can't seem to escape.
