Wanderlust May 04 2021 At twenty-one  
Annabelle Driscoll was the acknowledged

beauty, but it was her sister Audrey - four years older - who had the spine and spirit. She had talent as a photographer; she had the restless urge of a born wanderer. Inevitably it was Annabelle who was the first to marry, leaving Audrey to wonder if life was passing her by. Sometimes she would dream of a man like her father, someone with adventure in his soul and exotic places in his heart. The men she met in California were dull. Even in New York they failed to interest her. Only when she sailed for Europe aboard the Mauretania did she mingle with others more like her. Only when she boarded the Orient Express did she realise she was beginning a journey that would take her

farther than she had ever dreamed possible: deep into China, Tibet, the magic of the Orient and later North Africa and Europe. Her life would never be the same again.

**Vanished** Oct 17 2019 Vanished tells the story of a man and woman faced with an almost unthinkable tragedy—the mysterious abduction of their son. On the eve of Teddy's disappearance, Marielle runs into her first love, American expatriate Charles Delauney. And when Teddy is kidnapped, Charles is first blamed, then arrested. But as the search for Teddy widens, even Marielle is scrutinized by the FBI and special agent John Taylor. Suspicions and accusations mingle with terror

and heartbreak as every threat, every failure, every fear, is remembered, examined, explored. During Charles Delauney's trial, a series of revelations begins to unravel the about Marielle, Charles, and Malcolm, uncovering the motives and passions controlling their lives. Vanished is a tale of guilt, desire, suspense, and of people drawn inexorably together, seeking the child who... vanished.

Saint Ambrose Prep is a place where the wealthy send their children for the best possible education, with teachers and administrators from the Ivy League, and graduates who become future lawyers, politicians, filmmakers, and CEOs. Traditionally a boys-only school, Saint Ambrose has just enrolled one hundred and forty female students for the first time. Even though most of the kids on the campus have all the privilege in the world, some are struggling, wounded by their parents' bitter divorces, dealing with insecurity and loneliness. In such a heightened environment, even the smallest spark can become a raging fire. One day after the school's annual Halloween event, a student lies in the hospital, her system poisoned by dangerous levels of alcohol. Everyone in this

sheltered community—parents, teachers, students, police, and the media—are left trying to figure out what actually happened. Only the handful of students who were there when she was attacked truly know the answers and they have vowed to keep one another's secrets. never once asking herself if she truly knows her children . . . or if her hopes for them are the right ones, and what they want. She is about to find out. During one hectic summer in Manhattan, Kate's world turns upside down. One child has been keeping an astonishing secret while another confesses to an equally shocking truth. A wonderful match and picture-book wedding are traded for a relationship that shakes Kate to her core. A totally inappropriate love affair and an out-of-wedlock baby complete the chaos. **Until the End of Time** Jan 12 2022 #1 NEW YORK TIMES BESTSELLER Two couples, four decades apart. One believes that if lovers die, they find each other again in another life. Or perhaps they wind up as stars side by side in the sky, together forever. Who knows how it really ends? Danielle Steel breaks new ground in her

career as a perennial New York Times bestseller with the poignant story of two parallel destinies, and the kind of love we all hope will be everlasting. UNTIL THE END OF TIME Bill, a dedicated young lawyer working at his family's prestigious New York firm, leaves everything he trained for to follow his dream and become a minister in rural Wyoming. Jenny, his wife, is a stylist whose heart and soul are invested in fashion. She leaves the milieu and life she loves to join him. The certainty they share is that their destinies are linked forever. Fast forward thirty-eight years. Robert is a hardworking independent book publisher in Manhattan who has given up all personal life to build his struggling business. He is looking for one big hit novel to publish. Lilibet is a young Amish woman, living as though in the seventeenth century, caring for her widowed father and three young brothers on their family farm. In secret at night, by candlelight, she has written the novel that burns within her, and gets it into Robert's

hands, wrapped in her hand-stitched apron. He falls in love first with the book, and then with the woman he has never met, living in the sequestered world of the Amish—a world without telephones, computers, electricity, modern conveniences, or cars. Although Lilibet faces banishment from her family and community, she embraces the opportunity to publish her novel, and is irresistibly drawn to the man who has heard her voice. Destiny is at work here. Fate draws her from her horse-and-buggy life toward his, and the publication of her novel. In the hands of master storyteller Danielle Steel, these two remarkable relationships come together in unexpected and surprising ways, as lovers are lost, and find each other again. If it is true that real love lasts forever and lovers cannot lose each other, then *Until the End of Time* will not only comfort and fascinate us, as destiny does her dance, but it will give us hope as well. Love and fate are powerful, irresistible forces, as Steel proves to us here, in a book

about courage, change, risk, and hope . . . and love that never dies.

The Mistress Oct 29 2020 #1 NEW YORK TIMES BESTSELLER • Incomparable storyteller Danielle Steel illuminates rarely glimpsed precincts of unimaginable wealth and power, where love and freedom are the most dangerous desires of all. Natasha Leonova's beauty saved her life. Discovered starving on a freezing Moscow street by a Russian billionaire, she has lived for seven years under his protection, immersed in rarefied luxury, while he pursues

his activities in a dark world that she guesses at but never sees. Her home is the world, often on one of Vladimir Stanislas's spectacular yachts manned by scores of heavily armed crew members. Natasha's job is to keep Vladimir happy, ask no questions, and be discreet. She knows her place, and the rules. She feels fortunate to be spoiled and protected, and is careful not to dwell on Vladimir's ruthlessness or the deadly circles he moves in. She experiences only his kindness and generosity and believes he will always keep her safe. She is unfailingly loyal to him in exchange. Theo Luca is the son of a brilliant, world famous, and difficult artist, Lorenzo Luca, who left his wife and son with a fortune in artwork they refuse to sell. Lorenzo's widow, Maylis, has transformed their home in St. Paul de Vence into a celebrated restaurant decorated with her late husband's paintings, and treats it as a museum. There, on a warm June evening, Theo first encounters Natasha, the most exquisite woman he has ever seen. And

there, Vladimir lays eyes on Luca's artwork. Two dangerous obsessions begin. Theo, a gifted artist in his own right, finds himself feverishly painting Natasha's image for weeks after their first meeting. Vladimir, enraged that Lorenzo's works are not for sale, is determined to secure a painting at any price. And Natasha, who knows that she cannot afford to make even one false move, nevertheless begins to think of a world of freedom she can never experience as Vladimir's mistress. She cannot risk her safety for another man, or even a conversation with him, as Theo longs for a woman he can never have. From Moscow to the Riviera, London, and Paris, *The Mistress* is a riveting tale of vast fortune, cruelty, creative genius, and daring courage, as uncompromising individuals chart a course for collision.

*One Day At a Time* May 24 2020 Danielle Steel celebrates families of every stripe in her compelling new novel—a tale of three very different couples who struggle and survive, love, laugh, and learn to take life... Coco Barrington was born into a legendary Hollywood family, her last name loaded with expectations. Her mother is a mega-bestselling author who writes under

the name of Florence Flowers—and her sister, Jane, is one of Hollywood’s top producers. They’re not your typical family by any means....Jane has lived with her partner, Liz, for ten years, in a solid, loving relationship. Florence, widowed but still radiant, has just begun a secret romance with a man twenty-four years her junior. And Coco, a law school dropout and the family black sheep, works as a dog walker, having fled life in the spotlight for the artsy northern California beach town of Bolinas. But when Coco reluctantly agrees to dog-sit in Jane’s luxurious home, she soon discovers how much things can change in just a matter of days....It turns out Jane’s house comes complete with an unexpected houseguest: Leslie Baxter, a dashing but down-to-earth British actor who’s fleeing a psycho ex-girlfriend. Their worlds couldn’t be more different. The attraction couldn’t be more immediate. Suddenly Coco is seeing things differently: Leslie is not just a celebrity, he’s a single dad to an adorable six-

year-old girl. Her mother is not just a self-centered walking advertisement for great cosmetic surgery, she’s a woman in love, with vulnerability and new insight. And Jane and Liz are about to take the bravest plunge of all—into parenthood. As Coco contemplates a future with one of Hollywood’s hottest stars, as her mother and sister settle into their lives, old wounds are healed and new families are formed—some traditional, some not so traditional, but all bonded by love. With wit and intelligence, Danielle Steel’s new novel explores love in all its guises, taking us into the lives of three unusual but wonderfully real couples. Funny, sexy, and wise, *One Day At a Time* is at once moving, thought provoking, and utterly impossible to put down.
