It's a typical summer Friday night and the smell of popcorn is in the air. Throngs of fans jam into air-conditioned multiplexes to escape for two hours in the dark, blissfully lost in Hollywood's latest glittery confection complete with megawatt celebrities, awesome special effects, and enormous marketing budgets. The world is in love with the blockbuster

movie, and these cinematic behemoths have risen to dominate the film industry, breaking box office records every weekend. With the passion and wit of a true movie buff and the insight of an internationally renowned critic, Tom Shone is the first to make sense of this phenomenon by taking readers through the decades that have shaped the modern blockbuster and forever transformed the face of Hollywood. The moment the shark fin broke the water in 1975, a new monster was born. Fast, visceral, and devouring all in its path, the blockbuster had arrived. In just a few weeks Jaws earned more than \$100 million in ticket sales, an unprecedented feat that heralded a new era in film. Soon, blockbuster auteurs such as Steven Spielberg, George Lucas, and James Cameron would revive the flagging fortunes of the studios and lure audiences back into theaters with the promise of thrills, plenty of action, and an escape from art house pretension. But somewhere along the line, the beast they awakened took on a life of its own, and by the 1990s production budgets had escalated as quickly as profits. Hollywood entered a topsy-turvy world ruled by marketing and merchandising mavens, in which flops like Godzilla made money and hits had to break records just to break even. The blockbuster changed from a major event that took place a few times a year into something that audiences have come to expect weekly, piling into the backs of one another in an annual demolition derby that has left even Hollywood aghast. Tom Shone has interviewed all the key

participants -- from cinematic visionaries like Spielberg and Lucas and the executives who greenlight these spectacles down to the effects wizards who detonated the Death Star and blew up the White House -- in order to reveal the ways in which blockbusters have transformed how Hollywood makes movies and how we watch them. As entertaining as the films it chronicles, Blockbuster is a must-read for any fan who delights in the magic of the movies. I don't recall your speaking about a boat over at Lanton. What do you want to look at it for?" Tom Swift in Captivity is book number 13 of the Tom Swift series. granted unprecedented access to Simon Cowell and those around him--and the result is a fascinating multilayered portrait of one of the world's most intriguing television personalities ever to dominate the music industry. Simon Cowell has made an international name for himself as the no-holds-barred judge on the television phenomenon American Idol. He's been called mean, arrogant, brash, and unapologetic, but his stinging barbs and smug personality have also earned him cheers from fans, as well as millions of dollars, a string of exotic beauties, and industry clout to develop his own projects. But Cowell's true reward is revenge. Sweet Revenge is the ultimate insider's account of Simon Cowell's rise to fame--even as others plotted his downfall--from his cheeky exploits as a British school lad to his failures as a frustrated young music exec in London to his explosive rivalry with Simon Fuller over the genesis of the Idol franchise to the PR disaster that nearly sunk his wildly successful show The X Factor. Conducting more than 150 interviews with industry power players, Cowell's inner circle, and Cowell himself on a private jet, chartered yacht, at his L.A. home, and on the studio lot, Tom Bower pulls back the curtain on a man who is at once insecure, ambitious, easily bored, vain, needy, and driven, a man who will go to any limit to secure his success. Cowell is also revealed as a loyal friend and loving son. His father, to whom Cowell was particularly close, became his most trusted adviser and mentor. Packed with juicy details, exclusive interviews,

and never-before-revealed facts, Sweet Revenge presents a complete picture of Simon Cowell that few have ever seen. school competition soon helps him to find his own very special talent !

For five generations, the Pemberton family have farmed at Birks Farm in the picturesque town of Lytham on Lancashire's Fylde Coast, working at the heart of the area since the 1830s and supplying dairy produce to the local community ever since. In 2016, Tom Pemberton uploaded a one-minute video to YouTube about how to use the farm shop's new raw milk vending machine. He thought a handful of people would watch it. It turns out many more did. And so he began uploading regular videos, every Tuesday, Friday and the occasional Sunday to show what he gets up to on the farm. Things don't always go to plan, especially when you're the farmer's

son, but every day's a learning day and Tom approaches work as he does life in general: stay positive and don't take yourself too seriously. Make Hay While the Sun Shines takes us behind the farm gate and follows a year on the farm: from calving to maintaining machinery, from mucking out to planning and building a brand-new cow shed. Tom gives us a unique insight into everyday life on a busy dairy farm with all its highs, lows and hard graft. Full of heart, amusing anecdotes and unforgettable characters like Tom's dad, Andy - aka the Ginger Warrior - this is Tom's story of determination, adventure and how to keep a smile on your face even when you're knee-deep in cow poo. When Miss Hazelstone of Jacaranda Park kills her Zulu cook in a sensational crime passionel, the gallant members of the South African police force are soon on the scene: Kommandant van Heerden, whose secret longing for the heart of an English gentleman leads to the most memorable transplant operation yet recorded; Luitenant Verkramp of the Security Branch, ever active in the pursuit of Communist cells; Konstabel Els, with his propensity for shooting first and not thinking later - and also for forcing himself upon African women in a manner legally reserved for male members of their own race. In the course of the strange events which follow, we encounter some very esoteric perversions when the Kommandant is held captive in Miss Hazelstone's remarkable rubber room; and some even more amazing perversions of justice when Miss Hazelstone's brother, the Bishop of Barotseland, is sentenced to be hanged on the ancient gallows in the local prison. Not a 'political' novel in any previously imagined sense, Riotous Assembly provided a completely fresh approach to the South African scene - an approach startling in its deadpan savagery and yet also outrageously funny. Puffin Classics: the definitive collection of timeless stories, for every child. Tom tucked a blanket round him, drew up a chair by the fire
