C.

The price of fame . . . is DEATH When Jenny is spotted by a high-profile modelling agency, she goes from ordinary schoolgirl to celebrity overnight. Suddenly her life is a whirlwind of parties and glamour. Agnes used to be a model too - but now she lies in a hospital bed, slowly being destroyed by an eating disorder. Her father sits by her day after day, praying that his only remaining daughter survives. An attempted murder during a lavish photoshoot means that Jenny's and Agnes's lives will soon intersect in the most terrifying of ways . . . Because someone is watching them. Someone with a plan. Can Detective Anders Knutas figure out who it is in time to stop a terrible justice being served? An elegant survey of over seventy works of art featuring women reading throughout history. What is it about a woman reading that has captivated hundreds of artists over the centuries? Stefan Bollmann's *Women Who Read Are Dangerous* explores this popular subject in more than seventy artworks—drawings, paintings, photographs, and print—by iconic artists such as Henri Matisse, Edward Hopper, Suzanne Valadon, August Sander, Rembrandt, and many more. As the book's provocative title indicates, a woman reading was once viewed as radical. In chapters, such as "Intimate Moments" and "The Search for Oneself," Bollmann profiles how a woman with a book was once seen as idle or suspect and how women have gained autonomy through reading over the years. Bollmann offers intelligent and engaging commentary on each work of art in *Women Who Read Are Dangerous*, telling us who the subject is, her relationship to the artist, and even what she is reading. With works ranging from a 1333 Annunciation painting of the angel Gabriel speaking to the Virgin Mary, book in hand, to twentieth-century works, such as a stunning photograph of Marilyn Monroe reading *Ulysses*, this appealing survey provides a veritable slideshow of the many iterations of a woman and her book—a compelling subject to this day. An excellent gift for graduates, teachers, or Mother's Day, this elegant book should appeal to anyone interested in art, literature, or women's history. How short sellers profit from disasters that afflict individuals, markets, and nations *The Most Dangerous Trade* serves up tales from the dark side of the world marketplace to reveal how traders profit from the failure and, often, the financial ruin of others. In this book Richard Teitelbaum profiles more than a dozen short sellers to reveal how they employ the tactics, strategies, and various styles to zero in on their target, get the needed financing, and see their investment through to its ultimate conclusion. The short sellers profiled will include stories of both their successful investments as well as their disastrous ventures. The book will examine the different styles, strategies, and tactics utilized, looking at how each short seller researches his or her targets, obtains financing, puts on a trade, and sees the investment through to fruition—or failure. With the appeal of a well-written adventure novel, *The Most Dangerous Trade* reveals how these investors seek publicity to help drive down a stock and shows the often bitter and controversial battles that ensue. Includes profiles of well-know short sellers such as Jim Chanos, Steve Eisman, Manuel Ascencio, Doug Kass, and many more Discover how short sellers make the "puts" that make them billions Uncover the short selling controversies that make headlines Written by award-winning journalist Richard Teitelbaum Discover what motivates investors who wager against the stock market and how they often profit from the misery of others. *Dangerous Liaisons* is the story of the Marquise de Merteuil and the Vicomte de Valmont, two narcissistic rivals (and ex-lovers) who use seduction as a weapon to socially control and exploit others, all the while enjoying their cruel games and boasting about their manipulative talents. It has been seen as depicting the decadence of the French aristocracy shortly before the French Revolution, thereby exposing the perversions of the so-called Ancien Régime. HUMOUR COLLECTIONS & ANTHOLOGIES. Are you stark raving bonkers? Have you no care for life and limb? Too much adrenaline and not enough brain cells? Like hospital food? Then this is just the book for you. A collection of no-brainer misadventures, pranks, sports, jobs and dare-devil high jinks that no-one in their right mind would even contemplate trying. There's a treacherous world out there just waiting for someone with guts, a lust for adventure and absolutely no sense whatsoever. So, make sure you've got the address of your local A & E handy, make your last will and testament and get ready to roll with 100 mad fool ideas. The second part of the book deals with the Author's second period of service with Muslims, a quarter of a century later. This time in the Southern Province of Oman - Dhofar. Here he commanded the Northern Frontier Regiment of the Sultan's Armed Force in a limited but fierce war against Communist Insurgents. It shows how the tide was turned against a brave enemy fighting on their home ground - the savage wadis and cliffs of the jebel. This highly controversial new book considers how the dangerous offender has become such a figure of collective anxiety for the citizens of rationalised Western societies. The authors consider: \* ideas of danger and social threat in historical perspective \* legal responses to violent criminals \* attempts to predict dangerous behaviour \* why particular groups, such as women, remain at risk from violent crime. This inspired collection invites us to rethink the received wisdom on dangerous offenders, and will be of interest to students and scholars in the fields of criminology and the sociology of Risk. Recapture the joy of being a child and apply it to your relationship with God. Ask the difficult questions about faith, then just take Jesus at His word. Includes discussion guide. Life and times of the 14th century German spiritual leader Meister Eckhart, whose theory of a personal path to the divine inspired thinkers from Jean Paul Sartre to Thomas Merton, and most recently, Eckhart Tolle Meister Eckhart was a medieval Christian mystic whose wisdom powerfully appeals to seekers seven centuries after his death. In the modern era, Eckhart's writings have struck a chord with thinkers as diverse as Heidegger, Merton, Sartre, John Paul II, and the current Dalai Lama. He is the inspiration for the bestselling New Age author Eckhart Tolle's pen name, and his fourteenth-century quotes have become an online sensation. Today a variety of Christians, as well as many Zen Buddhists, Sufi Muslims, Jewish Cabbalists, and various spiritual seekers, all claim Eckhart as their own. Meister Eckhart preached a personal, internal path to God at a time when the Church could not have been more hierarchical and ritualistic. Then and now, Eckhart's revolutionary method of direct access to ultimate reality offers a profoundly subjective approach that is at once intuitive and pragmatic, philosophical yet non-rational, and, above all, universally accessible. This "dangerous mystic's" teachings challenge the very nature of religion, yet the man himself never directly challenged the Church. Eckhart was one of the most learned theologians of his day, but he was also a man of the world who had worked as an administrator for his religious order and taught for years at the University of Paris. His personal path from conventional friar to professor to lay preacher culminated in a spiritual philosophy that combined the teachings of an array of pagan and Christian writers, as well as Muslim and Jewish philosophers. His revolutionary decision to take his approach to the common people garnered him many enthusiastic followers as well as powerful enemies. After Eckhart's death and papal censure, many religious women and clerical supporters, known as the Friends of God, kept his legacy alive through the centuries, albeit underground until the master's dramatic rediscovery by modern Protestants and Catholics. *Dangerous Mystic* grounds Meister Eckhart in a world that is simultaneously familiar and alien. In the midst of this medieval society, a few decades before the Black Death, Eckhart boldly preached to captivated crowds a timeless method, a "wayless way," of directly experiencing the divine. In seventy-eight essays, seven prominent social critics question everything. This thought-provoking and empowering, even "criminal," anthology is a major challenge to the establishment, the ruling oligarchy, or whatever we choose to call the deep state, central planners, and mega-criminals who set and control global narratives. Readers are presented with an array of "forbidden" subjects and in-debt analyses that pull the rug underneath the elite and expose the lies that constitute the matrix. Recipient of the 2015 PEN New England Award for Nonfiction "The arrival of a significant young nonfiction writer . . . A measured yet bravura performance." —Dwight Garner, *The New York Times* James Joyce's big blue book, *Ulysses*, ushered in the modernist era and changed the novel for all time. But the genius of *Ulysses* was also its danger: it omitted absolutely nothing. Joyce, along with some

of the most important publishers and writers of his era, had to fight for years to win the freedom to publish it. The Most Dangerous Book tells the remarkable story surrounding Ulysses, from the first stirrings of Joyce's inspiration in 1904 to the book's landmark federal obscenity trial in 1933. Written for ardent Joyceans as well as novices who want to get to the heart of the greatest novel of the twentieth century, The Most Dangerous Book is a gripping examination of how the world came to say Yes to Ulysses. The liberal media machine did everything they could to keep this book out of your hands. Now, finally, Dangerous, the most controversial book of the decade, is tearing down safe spaces everywhere. Growing up is always hard, but especially when so many think you're a washed-up has-been at twenty-two. Illustrated in color, and black and white, this book is designed to provide information to men of all ages. The chapters include: The Seven Ancient Wonders of the World, Conkers, Laws of Football, Dinosaurs, Fishing, Juggling, Timers and Tripwires, Kings and Queens, Famous Battles, Spies, Making Crystals, Insects and Spiders, Artillery, and Girls. This new edition contains Montagu's most complete explication of his theory and a thorough updating of previous editions. Conn Iggulden, co-author of the phenomenally successful The Dangerous Book for Boys, and David Iggulden now bring us The Dangerous Book of Heroes—featuring great stories of courage and adventure to thrill and inspire any reader. From George Washington to Sitting Bull to Martin Luther King to the passengers on Flight 93, here are amazing stories of heroism that parents can share with their children, or enjoy all by themselves. Published in cooperation with the Association of the United States Army, this handbook combines theory and research with practical experience to help the prepare young soldiers for the challenges of serving and functioning in dangerous settings. His wife gone, his job only a memory, needing surgery with no way to get it, all his hopes and dreams had sunk into an abyss of hopelessness. His entire world had collapsed. He sat in his dark bedroom, all hope gone and no one to turn to, Brandon placed the barrel of the .357 magnum under his chin. Total fear, horror, and despair engulfed him, all fueled by an unimaginable hopelessness. Slowly his finger tightened on the trigger. After witnessing a murder, high school senior Stella Gordon is sent to Nebraska for her own safety where she chafes at her protection, but when she meets Chet Falconer it becomes harder for her to keep her guard up, and soon she has to deal with the real threat to her life as her enemies are actually closer than she thinks. Discover the skills they don't teach in business school with The Most Dangerous Business Book You'll Ever Read. From the very beginning, Christianity has been the faith of world-changers, rejecters of the status quo, and rebels. So when did it get so safe? Reclaim your roots with Dangerous Prayers, a collection of prayers from people throughout history who took God at His word and changed the world forever through their faith. Rare memoir of a risky job performed by relatively few troops. Honest and observant narrative describes the good, bad, and ugly of the war. Covers World War II's closing months in eastern France and Germany. Stolen, tainted, and compromised counterfeit medicine has increasingly made its way into a poorly regulated distribution system—reaching vulnerable and unsuspecting patients who stake their lives on it. The heart of the problem lies in South Florida—and Dangerous Doses exposes it through a “ragtag group of seasoned investigators who seem as if they were cast right out of an episode of The Wire” (U.S. News & World Report). In Katherine Eban's hard-hitting examination of America's secret ring of drug counterfeiters, these tireless investigators follow the trail of medication stolen in a seemingly minor break-in as it funnels into a sprawling national network of drug polluters. Their pursuit stretches from a strip joint in South Miami to the halls of Congress, as they battle entrenched political interests and uncover an increasing threat to America's health. Eban's revelatory and damning crusade “combines investigative diligence, a natural storyteller's gift for narrative, and a consumer advocate's practical prescriptions for what to do about the counterfeit drugs that may have contaminated the supply at your local drug store. The result: A rare literary event—muckraking with a human face” (Victor Navasky, former publisher of The Nation). “An exposé that wades into more rank Florida unseemliness than a Carl Hiaasen novel, and easily boasts three times the number of sleazebag villains.” —Salon “A riveting tale . . . part detective story, part pharmacological primer.” —New York Sun In “Black Men,” an integral text for anyone with vested interest in building healthy, thriving Black families and communities, Madhubuti takes aim at some of the critical issues facing the African American family. Daniel X is closing in on his parents' killer. But in this thrilling adventure, danger-and the world's deadliest aliens-lurk in the shadows. Daniel X has the greatest power of all: the ability to create. His secret abilities-like being able to manipulate objects and animals with his mind or to recreate himself in any shape he chooses-have helped him survive. But Daniel doesn't have a normal life. He is the protector of the earth, the Alien Hunter, with a mission beyond what anyone's imagining. From the day that his parents were brutally murdered before of his very eyes, Daniel has used his unique gifts to hunt down their assassin. Finally, with the help of The List, bequeathed to him in his parents' dying breath, he is closing in on the killer. Now, on his own, he vows to take on his father's mission-and to take vengeance in the process. A breathtaking thriller featuring “political and amorous intrigues, cold-blooded murder, and financial crises” (San Francisco Chronicle), from the #1 New York Times bestselling author of A Column of Fire In 1866, tragedy strikes the exclusive Windfield School when a young student drowns in a mysterious accident. His death and its aftermath initiate a spiraling circle of treachery that will span three decades and entwine many lives. From the exclusive men's clubs and brothels that cater to every dark desire of London's upper class to the dazzling ballrooms and mahogany-paneled suites of the manipulators of the world's wealth, one family is splintered by a shared legacy. But greed, fed by the shocking truth of a boy's death, must be stopped, or the dreams of a nation will die. Praise for A Dangerous Fortune “A terrific page-turner.”—Los Angeles Times “Political and amorous intrigues, cold-blooded murder, and financial crises . . . old-fashioned entertainment.”—San Francisco Chronicle “Breathlessly plotted . . . relentlessly suspenseful.”—The New York Times “Gripping, complex plot . . . sexual intrigue . . . fascinating characters . . . You won't be able to put down this exciting page-turner.”—Lexington Herald-Leader “Follett [builds] to a dramatic climax with the same masterful control that guided Eye of the Needle and The Pillars of the Earth.”—Playboy “I don't usually enjoy historical thrillers but admit to being totally captivated by Ken Follett's A Dangerous Fortune.”—Chicago Tribune “Highly entertaining . . . Follett's characters are drawn with broad, realistic strokes . . . this story of greed and retribution should win Follett new fans.”—Publishers Weekly “Rich, complex, thrilling, suspenseful, well plotted . . . A Dangerous Fortune is dangerous reading. You won't be able to put it down.”—Authors and Critics Spark your imagination, forge your own adventures and unearth long-lost skills. Experience Hemingway's firsthand chronicle of a brutal season of bullfights in Spain. In the 1950s, Hemingway and his wife return to Spain, where Hemingway had visited before as a war correspondent to cover the Spanish Civil War, in order to see friends and follow bullfighting events. Hemingway's time in Spain is most often remembered as his experiences with bullfighting, his passion often conveyed through his writing. He and his wife follow summer-long series events and witness the complexities and danger within the bullfighting community. In this vivid account, Hemingway captures the exhausting pace and pressure of the season, the camaraderie and pride of the matadors, and the mortal drama as in fight after fight the rival matadors try to outdo each other with ever more daring performances. At the same time, Hemingway offers an often complex and deeply personal self-portrait that reveals much about one of the twentieth century's preeminent writers. What is a dangerous man? Most women would answer: one who is physically violent. “A model of popular intellectual history. . . . In every way, ?A Most Dangerous Book is a most brilliant achievement.”—Washington Post When the Roman historian Tacitus wrote the Germania, a none-too-flattering little book about the ancient Germans, he could not have foreseen that centuries later the Nazis would extol it as “a bible” and vow to resurrect Germany on its grounds. But the Germania inspired—and polarized—readers long before the rise of the Third Reich. In this elegant and captivating history, Christopher B. Krebs, a professor of classics at Harvard University, traces the wide-ranging influence of the Germania, revealing how an ancient text rose to take its place among the most dangerous books in the world. "A Dangerous Journey is a collection of Thomas Hauser's writing on boxing over the course of the 2018 season. He turns his award-winning investigative reporting skills on the scandal surrounding the use of illegal performance enhancing drugs in boxing today and the failures of corrupt and incompetent state athletic commissions. Hauser also takes readers into Canelo Alvarez's dressing room in the hours before and after his rematch against Gennady Golovkin, the biggest fight of the year, and offers in-depth portraits of boxing's biggest stars--past and present--as well as reflections on fight-related curiosities ranging from Ronda Rousey to David and Goliath"--
