So when Booth sets his sights on Bella, an assistant seamstress to Mary Todd Lincoln, to help with his plot to kidnap President Lincoln, he is able to persuade her to betray her president and even turn her back on the boy she has loved her entire life. Bella believes Booth is only trying to force the North to release Southern war prisoners, and will not harm her dear friend Mr. Lincoln. But the kidnapping plot fails, and now Booth will stop at nothing--even if it means harming Bella in the process. Anna Myers has crafted a provocative new look at the Lincoln assassination through the eyes of both a young White House insider and the assassin himself. 'Vastly original. Bessy is surely one of the most striking characters in recent fiction: cynical, disruptive, tender and very, very funny.' Independent on Sunday Shortlisted for the Orange Prize Scotland, 1863. In an attempt to escape her past, Bessy Buckley takes a job working as a maid in a big country house. But when Arabella, her beautiful mistress, asks her to undertake a series of bizarre tasks, Bessy begins to realise that she hasn't quite landed on her feet. In one of the most acclaimed debuts of recent years, Jane Harris has created a heroine who will make you laugh and cry as she narrates this unforgettable story about secrets and suspicions and the redemptive power of love and friendship. A deadly political rivalry that ended in two brutal executions...An intricate love triangle that altered the course of history...A religious revolution that changed the world... THE TREASURE... For two thousand years, an undiscovered treasure rested in the rocky wilds of the French Pyrenees. A series of scrolls written in the first century by Mary Magdalene, these startling documents hold the power to redefine the events and characters of the New Testament. Protected by supernatural forces, the priceless cache can only be uncovered by a special seeker, one who has been chosen for the task by divine providence - The Expected One. THE CHOSEN ONE... When journalist Maureen Paschal begins the research for a new book, she has no idea that she is stepping into an ancient mystery so complex and dangerous that thousands of people have killed and died for it. As a long buried family scandal comes to light, she can no longer deny her own role in a deadly drama of epic international consequences. Arabella Godwin is an incomparable in London Society-elegant, wealthy, and meticulously trained. Yet, she has nothing to show for her efforts aside from her pretentious reputation and a collection of disappointed suitors. When her plan to secure a promising offer of marriage is temporarily delayed, she must bide her time in the company of an estranged childhood friend-the much-too-endearing, but regrettably untitled, Augustus Brundage.As the friends' tattered relationship returns to familiarity, Arabella must prevent herself from fully regressing into the carefree, impressionable young lady who once foolishly trusted Augustus with her heart. To make the same mistake again would ruin everything she has worked for-and certainly more. But, can a heart be so easily trained?The fourth book in the Seasons of Change Series. A Regency romance. Heat level mild/sweet/clean. Read Susan Breen's posts on the Penguin Blog. A witty, honest, and hugely entertaining story for anyone who loves books, or has a difficult mother. And, let's face it, that's practically everybody . . . On paper, Arabella Hicks seems more than qualified to teach her fiction class on the Upper West Side: she's a writer herself; she's passionate about books; she's even named after the heroine in a Georgette Heyer novel. On the other hand, she's thirty-eight, single, and has been writing the same book for the last seven years. And she has been distracted recently: on the same day that Arabella teaches her class she also visits her mother in a nursing home outside the city. And every time they argue. Arabella wants the fighting to stop, but, as her mother puts it, "Just because we're family, doesn't mean we have to like each other." When her class takes a surprising turn and her lessons start to spill over into her weekly visits, she suddenly finds she might be holding the key to her mother's love and, dare she say it, her own inspiration. After all, as a lifelong lover of books, she knows the power of a good story. Hers is the show business saga you think you already know--but you ain't seen nothin' yet. Rose Thompson Hovick, mother of June Havoc and Gypsy Rose Lee, went down in theatrical history as "The Stage Mother from Hell" after her immortalization on Broadway in Gypsy: A Musical Fable. Yet the musical was 75 percent fictionalized by playwright Arthur Laurents and condensed for the stage. Rose's full story is even more striking. Born fearless on the North Dakota prairie in 1891, Rose Thompson had a kind father and a gallivanting mother who sold lacy finery to prostitutes. She became an unhappy teenage bride whose marriage yielded two entrancing daughters, Louise and June. When June was discovered to be a child prodigy in ballet, capable of dancing en pointe by the age of three, Rose, without benefit of any theatrical training, set out to create onstage opportunities for her magical baby girl--and succeeded. Rose followed her own star and created two more in dramatic and colorful style: "Baby June" became a child headliner in vaudeville, and Louise grew up to be the well-known burlesque star Gypsy Rose Lee. The rest of Mama Rose's remarkable story included love affairs with both men and women, the operation of a "lesbian pick-up joint" where she sold homemade bathtub gin, wild attempts to extort money from Gypsy and June, two stints as a chicken farmer, and three allegations of cold-blooded murder--all of which was deemed unfit for the script of Gypsy. Here, at last, is the rollicking, wild saga that never made it to the stage. If you love Bridgerton, you'll love Georgette Heyer! 'The greatest writer who ever lived' ANTONIA FRASER 'A rollicking good read that will be of particular joy to Bridgerton viewers ... the permanent glister of scandal [...] ties the whole thing together' INDEPENDENT '[My] generation's Julia Quinn' ADJOA ANDOH, star of Bridgerton _____ Leonie Bonnard is being drawn into a twenty-year-old feud. The Leper King is a story of authentic history and imaginative fantasy interwoven with faith and love, war and magic set amidst the turbulent times of the Crusades. Upon the premature death of his father, BALDWIN IV, stricken with leprosy from a young age, ascends to the throne of Jherusalem at the age of thirteen. Immediately, enemies threaten his reign as war looms with the great leader of Islam, SALEHDIN. Guided by his trusted friend and Chancellor, Archbishop WILLIAM of Tyre, the young leper sets out to prove himself worthy of the crown, despite the political intrigues of his own High Court. Among those at Court with whom he must contend are his recently returned mother, AGNES de Courtenay, a grasping woman of immoral character, and his sister, SIBYLLA, who comes to Court after spending most of her life shut away from the world in a convent to marry a Western lord against her will. Being a minor, Baldwin must submit to the Regency of his much older cousin, RAYMOND III of Tripoli; but the young king chaffs beneath the Regents authority, longing to put it behind him so he can pursue his own course of action against the enemy. While Raymond continually argues for peace with the Muslims, Baldwin and the new lord of Kerak, REYNALD de Chtillon, hope to bring the Sarrazins to war before the sultans power grows too strong to push back. Unbeknownst to the king and the lords of Outremer, an old and secret cabal of heretic conspirators known only as the Order of Sion led by one, AMALRIC de Lusignan, that seeks to gain control of the kingdom. Their purpose is to proclaim a new form of Christianity with Jherusalem as its ecclesiastical seat of power in opposition to Rome and to crown a sacred king of their own making. That sacred king is none other than Amalrics brother, GUION de Lusignan, whom they claim is a blood descendant of Jhsu Christ. In this conspiracy, two influential men of the kingdom aid them: HERACLIUS, Archbishop of Caesarea and OTHON de Saint-Amant, Master of the famed warrior-monks, the Knights Templar. Saint-Amant, however, is a deeply conflicted man who begins to question how Sion, and the secretive master he reluctantly follows, is manipulating him and his Order. With Agnes diseased son crowned king, it isnt long before Lusignan draws her into the intrigues of the conspiracy as well with the belief she can protect her son. Seeking divine guidance in the Church of the Holy Sepulcher in the aftermath of battle, Baldwin meets, by chance, an elderly woman who thanks him for a simple act of his kindness. He is astonished, though, when she casts aside her cloak and disguise, revealing to him that she is MARY MAGDALEN, a beautiful and immortal woman of Faerie who vows to guide and befriend him. Only later does she tell him that his leprosy is not the result of disease, but of a magic spell cast by an unseen enemy; a spell that not only devours the kings life, but also becomes the enemys own undoing. So begins a tale of history and fantasy, in which a young king must determine whether his faith or fate will guide him in the defense of his fragile kingdom. room, I saw a variety of objects I couldn't quite identify. A harness of some sort that suspended from the ceiling by chains was directly to my right. I stood casually looking around when the realization of what I was seeing slowly started to sink in. A few whips and riding crops hung on the walls. The wooden apparatus was some type of restraint. And the harness hanging from chains was some type of sex swing. My eyes widened in shock. I was locked in some kind of sex room with Derek! I tried to remove my hand from his warm grasp, but he held tightly. "Oh my God! Is this what I think it is?" He grinned boyishly. "Yes it is. And I'm glad to see you're so excited about it. The night is still young..." "What!" I practically squeaked. "I can't believe this! You mean you have a - uh, sex playroom down here? And you've locked me in here..." Derek interrupted my hysterical rant, "Hold on a minute. You are the one who locked us in here. And this is not my house. This is Jackson's sex playroom. And I believe the correct terminology is sex dungeon." steamy romance,steamy romance novels,bdsm billionaire,romantic suspense books,billionaire sex,billionaire erotic romance,bdsm erotica,bdsm erotic romance,bbw erotic romance,bbw romance,bad boy romance,best new romance,contemporary gothic romance,new adult romance with sex,contemporary erotic romance,best new erotic romance,best erotica 'I want you to remember something, Nat. You're small on the outside. But inside you're as big as everyone else. You show people that and you won't go far wrong in life.' A compelling story perfect for fans of The Doll Factory, The Illumination of Ursula Flight and The Familiars. My name is Nat Davy. Perhaps you've heard of me? There was a time when people up and down the land knew my name, though they only ever knew half the story. The year of 1625, it was, when a single shilling changed my life. That shilling got me taken off to London, where they hid me in a pie, of all things, so I could be given as a gift to the new queen of England. They called me the queen's dwarf, but I was more than that. I was her friend, when she had no one else, and later on, when the people of England turned against their king, it was me who saved her life. When they turned the world upside down, I was there, right at the heart of it, and this is my story. Inspired by a true story, and spanning two decades that changed England for ever, The Smallest Man is a heartwarming tale about being different, but not letting it hold you back. About being brave enough to take a chance, even if the odds aren't good. And about how, when everything else is falling apart, true friendship holds people together. First published in 1983, Dean Swift is the concluding book in a series of three volumes providing a detailed exploration of the events of Swift's life. The third volume follows Swift's life and career from 1714 to 1745 and sets it against the public events of the age, paying close attention to political and economic change, ecclesiastical problems, social issues, and literary history. For years, I had the worst crush on my stepbrother, Cole Hunter. We used to ride bikes, skateboard and go fishing together - now I couldn't even be in the same room as him without my pulse racing. One cocky half-grin from Cole would have my face blushing while my panties melted. It was insane - and completely humiliating. It was a painful secret that I guarded fiercely. Cole was off-limits. Forbidden. If he knew how I felt, I would die of embarrassment. I avoided Cole for years, until one wild night, when my best friend took me to a club. I thought I was going to see a grunge band, but it turned out to be a much kinkier kind of club. A club where anything goes, and well, things got a little crazy. Make that a lot crazy. No one would ever know what I'd done, right? Then I discovered who the man behind the mask really was...
