Through reading powerful, real-life stories (including the author's personal journey) and gaining insights from Fileta's experience as a professional counselor, readers will discover that it is possible to find true love through dating. Christians are looking for answers to finding true love. They are disillusioned with the church that has provided little practical application in the area of love and relationships. They've been bombarded by Christian books that shun dating, idolize courting, fixate on spirituality, and in the end offer little real relationship help. True Love Dates provides honest help for dating by guiding readers into vital relationship essentials for finding true love. Debra is a young,

professional Christian counselor, and True Love Dates offer sound advice grounded in Christian spirituality. It delivers insight, direction, and counsel when it comes to entering the world of dating and learning to do it right the first time around. Drawing on the stories and struggles of hundreds of young men and women who have pursued finding true love, Fileta helps readers bypass unnecessary pain while focusing on the things that really matter in the world of dating. For years, Christians have argued, debated, and fought one another while "speaking the truth in love," yet we are no closer to the grace-filled life Jesus modeled. Biblical scholar and popular podcast host of The Bible for Normal People, Jared Byas casts a new vision for the Christian life that's built not on certainty, but on the risk of love. A biblically-based Christian life is not grounded in having all the answers but in a living relationship. This ultimately shifts our focus from collecting the "right" answers to loving others deeply and authentically. With stories and insights drawn from his years as a pastor, professor, and podcast host, Jared Byas calls us back to the heart of the Bible: that truth is only true when it's lived out in love. In a refreshing voice that's both witty and profoundly revelatory, Jared unpacks the concept of truth, its meaning, and why we so often fight over it. He makes a compelling case for how what we believe is less important than how we believe it and that, more than anything else, telling the truth in love is about following Jesus. For anyone who has ever felt forced to choose between truth and love, acceptance and rightness, this book offers a path forward beyond truth wars and legalistic religion to a love that matters more. A poem that everyone can relate to for every mood and occasion. A collection of poetry of comfort, confidence, courage, fear, friendship, love, lose, memories and vulnerability. A poem for every emotion that we all feel. Book 3 of 5. This is about a man, his lost love, the imperfect world he lives in, and how he finds his true love after he discovers his true self and life's purpose when he realized that much of the world's imperfections are caused by lack of love for others, fueled by greed and selfishness, which cause social cancer. Anton Hinirang was unhappy for the last twenty-four years, after losing his first and only love, when Marian's parents forced her to marry someone with money and stature. Decades later, not even success could make Anton happy. When his unhappiness was complicated by tragic events that happened to his father and two siblings, caused by his country's social ills, it woke and changed Anton forever. It led to his self-discovery of his life's purpose, which in turn led him to find his true love. In its core, the story is about love, how its absence can render a person's life unhappy and miserable, and how lack of love in people's hearts, especially among leaders, can cause poverty and misery among many in society and the world. Alex Lacson is a bestselling author in the Philippines. He is known as a builder of hope in his country, especially among the youth. True love is all around you if earnestly you desire it. The book suggests functional approaches to true love as an alternative to the hit-and-miss approach that almost always ends in divorce or heartbreak. The book is for the married or single woman. It is for the married woman who, perhaps, already has a good man and necessarily must keep him. It is for the single woman who now is in search of a good man for a lifetime of joyful romance and companionship. The book examines the good man's qualifying attributes, the meaning of romantic love, the concrete manifestations of love and, importantly, how you recognize and sustain true love when it comes your way. Find a Good Man and Keep Him is a practical guide that leads you through and away from the hurtful tumbles and stumbles of a failed relationship onto the path of manifest love with a good man. In the year 2068 A.D., the world has united under the fist of Altieria Corporation's wise and powerful CEO. Not without its complications... The wife of a robotics engineer turns up dead in a cheap motel, and all evidence points to a telekinetic suspect that doesn't exist to the public eye--or even the eyes of the man who sees everything. Two veteran detectives, a rebel faction, and an aggressive reporter approach the case from their own perspectives and rapidly descend into a web of lies, secrets, illegal operations, and violence. In their struggle for survival, they begin to suspect that the Altieria Corporation may somehow be involved. And if it is, how can they hope to learn the truth and expose it to a world that the Company now controls? "Unconditional love is the greatest power of all."— David Hawkins And then there was silence. Silence in the wake of a prolonged storm that has just passed and all that is left is this silence.... followed by peace. A sense of stillness like the world is at rest, everything is serene. Yet, the peace doesn't really last because the mind, filled with ego-love, is a stranger to this feeling. The mind feels anxious- as if something is lacking and another storm is on its way which will knock down the building still standing in aftermath of the previous storm. And all it is doing is resting in this ephemeral silence while inevitably, peace is going to turn into utter chaos. This is what the ego-love dominated mind is waiting for and surely, that loving peace is fading away gradually, and the silence is getting replaced with cluttering self-limiting thoughts. Yet, the heart knows that it can hold on to that loving peace forever. There doesn't have to be another storm or if there is one, it doesn't have to cause noise or havoc. The heart knows that to live with peace for all eternity, the tether to hold onto is true unconditional love. And then only this silence will not be feared by the mind. It will just be loved, the way it really has to be. The sigh of relief can become an everlasting breath of love, only if the heart can remove the clutches of fear and all the negative emotions. Only if the heart can connect to true love, make it the only intention, then all the dreams will become reality and the heart will finally be at peace full of inner convictions. In this book, you will be able to feel this power of unconditional true love residing in your heart. As you read, you will be encouraged to shift your perspective towards life from existing with ego-love to that of living with true love. So, embark on this journey of recognising the beauty of true love by reading this wonderful collection of poems. Simple yet profound, these poems will inspire you to look within and connect to your true love. When riots break out in New York's Central Park, Lenny vows to convince his fickle new love that in a time without standards, there is value in being a real human being. One of today's most provocative literary writers--the author of the acclaimed Sunshine State and Los Angeles Times First Fiction Award finalist Binary Star--captures the complicated and confused state of modern romance and the egos that inflate it in a dark comedy about love addiction, toxic masculinity, and a woman's search for acceptance, identity, and financial security in the rise of Trump. Nina is a struggling writer, an addict, a cheater, and a liar. After dropping out of college to go to rehab, she wants more than anything to leave her past behind, start her life over, and find love. From the burned-out suburbs of Florida to the anonymous squalor of New York City, she eats through an incestuous cast of characters in search of it: her mother, a polyamorous lesbian; Odessa, a single parent with even worse taste in men than Nina; Seth, an artist whose latest show is comprised of three Tupperware containers full of trash; Brian, a sleazy editor whose stories never quite add up; Daniel, a newly sober indie rocker whose tour is over before it starts; and Aaron, an aspiring filmmaker with whom Nina begins to write her magnum opus. Nina's quest for fulfillment is at once darkly comedic, acerbically acute, and painfully human--a scathing critique of contemporary society, and a tender examination of our anguished yearning for connection in a world where we're fundamentally alone. A quality pew and ministry Bible at a very economical price. - Complete text with subject headings and translators' footnotes. She can't help but be drawn to this proud and handsome man...
